Gaining Insight Into User and Search Engine Behaviour by Analyzing Web Logs Jeeva Jose, P. Sojan Lal, 2016-11

Web Usage Mining also known as Web Log Mining is the result of user interaction with a Web server including Web logs click streams and database transaction or the visits of search engine crawlers at a Website Log files provide an immense source of information about the behavior of users as well as search engine crawlers Web Usage Mining concerns the usage of common browsing patterns i e pages requested in sequence from Web logs These patterns can be utilized to enhance the design and modification of a Website Analyzing and discovering user behavior is helpful for understanding what online information users inquire and how they behave The analyzed result can be used in intelligent online applications refining Websites improving search accuracy when seeking information and lead decision makers towards better decisions in changing markets for instance by putting advertisements in ideal places Similarly the crawlers or spiders are accessing the Websites to index new and updated pages

These traces help to analyze the behavior of search engine crawlers The log files are unstructured files and of huge size These files need to be extracted and pre processed before any data mining functionality to follow Pre processing is done in unique ways for each application Two pre processing algorithms are proposed based on indiscernibility relations in rough set theory which generates Equivalence Classes The first algorithm generates a pre processed file with successful user requests while the second one generates a pre processed file for pre fetching and caching purposes Two algorithms are proposed to extract usage analytics The first algorithm identifies the origin of visits the top referring sites and the most popular keywords used by the visitor to arrive at a Website The second algorithm extracts user agents like browsers and operating systems used by a visitor to access a Website In this study clustering of users based on Entry Pages to a Website is done to analyze the deep linked traffic at a Website The Top Ten Entry Pages the traffic and the temporal information of the Top Ten Entry Pages are also studied

Recent Studies in Human Resource Management Dr.S.Vimala, Dr.S.Mohan Kumar, Dr.K.Rukmani, **Need of the Society & the Law** Dr. Debabrata Basu & Advocate Pallab Pradhan, The present study is sought to analyse the current position of animals and their rights the laws in India and also the rights which are enjoyed by the animals in America and England This present study also specifies the various types of cruelty that are covered by the law and the animals which are exempted to be protected by the law It is also investigated the other ways which causes pain and suffering but are not included in the criteria of animal cruelty This study also specifies the competent and appropriate authority responsible for the protection of animal right Today s copyright law not only protects the copyright owner s and neighbouring rights but also addresses the issue of public interest attempting to create a balance between the two in the digital age Thus copyright law has progressed from its early days when it primarily protected literary and aesthetic works to a modern world full of technical advancements Creators of literary dramatic musical and aesthetic works as well as makers of cinematograph films and sound recordings have a legal claim to copyright It is defined as the legal right granted to an author composer etc or his assignee to print publish and sell copies of his original work for a set number of years

Performance of Government Ministries in Kenya Qualitative Methods Dr. Salma Seth, Dr. N.K. Chadha, Dr. Harpreet Bhatia, 2022-05-16 This book aims to provide researchers who are new or relatively new to qualitative research with the methodological tools and conceptual maps they need to navigate their way through the process. It describes the uncertainties surrounding qualitative research and the many dilemmas faced by researchers. It illustrates these by drawing on the experiences of researchers with varying degrees of expertise in qualitative research. It also provides readers with the necessary background knowledge and raises their awareness of the questions they will need to address to help them make informed decisions about how to deal with these uncertainties and dilemmas. The contents of the book are organized in a way that reflects the three main objectives that the authors had in mind. The first objective was to provide readers with the necessary background knowledge and an awareness of the questions they will need to address in order to make informed decisions about whether to conduct qualitative research and if they decide to follow a qualitative path which particular qualitative approaches would be suited to their research goals. The second objective was to equip readers with the basic tools to carry out their analysis by providing detailed contextualized coverage of the practicalities of the qualitative methods approaches. In addition, the book includes accounts of an actual analysis of a specific data set in a step by step manner using the approaches. The third objective was to provide the reader with guidance as to how to write up qualitative research in general and the ethical considerations of qualitative inquiry in the concluding chapter. *The Handbook of Investment Avenues* Dr. Haresh Barot, **Business Information Needs of the Indian Corporate Sector** Hanumappa Anil Kumar, 2010-04-10 Indian businesses face many challenges in today's competitive environment consisting of global players, highly demanding customers and shortage of skilled manpower. It is a complex environment that they operate in with information becoming a critical component of their strategy and operations. Right information to the right person at the right time for right business actions is the greatest challenge that businesses face. Need for information exists at all levels, right from the market executives to the middle management and top management in the organization. The type of information required would determine the sources of information, the media preferred, the technology used to access this information, the providers of information to be approached, the purpose of information searching and quality of information required. In this context, understanding the information need and its various aspects from the managers working in the industry was the purpose of this study. This research not only facilitates provision of right information to the right person at the right time but also helps in designing information systems and building the information culture of an organization. It is in this context that the book is written with an objective to explore the information needs of the Indian corporate sector. The study focuses on the middle or higher level of managers working in the Indian corporate sector that includes public limited, private limited, family businesses, small businesses and government businesses. The study looks at the type of information required, sources used, media preferred, information providers used, purpose of information search and quality of information that is relevant and

important The research also studies the variations in results between managers in manufacturing sector and services sector to enhance the understanding of business information needs in the Indian context

Kothari Research Methodology 2nd Edition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Kothari Research Methodology 2nd Edition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Kothari Research Methodology 2nd Edition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Kothari Research Methodology 2nd Edition free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Kothari Research Methodology 2nd Edition. In conclusion, the internet offers numerous platforms and websites that allow users to download

free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Kothari Research Methodology 2nd Edition any PDF files. With these platforms, the world of PDF downloads is just a click away.
