Schedule of Laboratory Experiments

Each week we will meet to perform an experiment according to the schedule listed below. You are expected to bring your safety glasses and experimental procedure. The experimental background and procedure should be read before coming to the laboratory meeting. Students who do not arrive to the laboratory prepared will be asked to leave. Several of the experiments we will perform require the use of graphs in the data analysis (*). The graphing software we use is called Vernier Graphical Analysis. Bring a USB flash drive to these meetings.
