Child And Adolescent Development An Integrated Approach:

Child and Adolescent Development Karen Owens, 2001 This chronologically organized child and adolescent development text features an integrative approach to the study of development with a distinguished emphasis on multi cultural issues Through this integrative framework Owens explores the dynamic interplay of psychological biological sociological and anthropological factors as they contribute to the developmental process Through this multi disciplinary lens Owens presents the major theories and research of the field and provides strong links to the application of these ideas to daily life and career Owens further expands the integrative theme to include a respectable and fair treatment of issues related to diversity and culture by integrating coverage throughout the text as well as through a separate chapter 2 This inclusiveness provides a uniquely modern scholarly and complete view of the child and adolescent development process **Child and Adolescent**

Development David F. Bjorklund, Carlos Hernández Blasi, 2010-11-05 *Child & Adolescent Development* David F. Bjorklund, 2012 **Child and Adolescent Development: An Integrated Approach** David F. Bjorklund, Carlos Hernández Blasi, 2011-01-01 Organized topically to realistically present the three overarching perspectives that guide today's researchers and practitioners of developmental psychology David Bjorklund and Carlos Hernández Blasi's CHILD AND ADOLESCENT DEVELOPMENT AN INTEGRATED APPROACH provides not only a truly ground breaking integrated approach but also the most practical and up to date introduction to this vital subject The authors emphasize applied issues and consistently show how the major perspectives on human development must be integrated rather than presented as contrasting and sometimes contradictory ways of looking at development in order to meaningfully understand infants children and adolescents as well as how they develop High interest boxes including the Biopsychology of Childhood Evolution in Action and Socioculturally Speaking appear in rotation throughout the chapters to add both depth and dimension to the presentation of the text's comprehensive core content and featured perspectives A rich set of pedagogical resources in the text itself and throughout its dynamic suite of online and print supplements helps to ensure that this text engages enlightens and challenges students in unique ways Take a look and see why pre publication reviewers and class testers have been raving about the exciting teaching and learning possibilities this new text offers Important Notice Media content referenced within the product description or the product text may not be available in the ebook version **Child & Adolescent**
