

How To Encourage Your Child To Draw

Make drawing a regular component of playtime. Crayons, thick pencils, and washable markers are just a few drawing supplies you can give children.

Make your child express their emotions through drawings and color. Provide them with various drawing surfaces, even cardboard or paper bags.

Allow your child to experiment, discover, and utilize their creativity uniquely. Do not set any instructions or expect them to make perfect drawings.

Be actively involved in the drawing process with your child. Challenge them to draw hard figures and assist them in doing it. Suggest them colors for their drawings.

When your child has finished drawing, hang their artwork on a wall in their room or store it securely in a folder. This will convey to the child the importance and worth of their art.
