Twentieth-Century British and American Theatre Christopher Innes,Katherine Carlstrom,Scott Fraser,2019-05-23 First published in 1999 this volume aims to develop the field of theatre studies by promoting the study of performative elements and thus fostering their consideration in the critical interpretation of dramatic literature The authors additionally suggest ways of approaching and evaluating the work of individual performers as well as of directors designers and producers It is an archival guide which covers manuscript and ephemera rather than published texts and attempts to indicate the potential value of the documentary material listed This unique reference guide provides descriptions and evaluations of

archive manuscript materials and ephemera relating to twentieth century British and American theatre Over 100 archives across Europe North America and Britain were examined in the compilation of this volume The documents include unpublished playscripts state and costume designs directors books prompt books lighting plots stage photos correspondence theatre programmes One hundred and seventy five entries are arranged alphabetically and cover playwrights directors designers and actors By its nature theatre is a collaborative enterprise a facet which is recognised in the comprehensive cross referencing of entries The last twenty years has seen a shift in drama studies from text based criticism to analysis of performance The materials covered in this book have therefore become essential to future research in the field Posting the Male ,2022-06-08 The essays collected in Posting the Male examine representations of masculinity in post war and contemporary British literature focussing on the works of writers as diverse as John Osborne Joe Orton James Kelman Ian Rankin Carol Ann Duffy Alan Hollinghurst Ian McEwan Graham Swift and Jackie Kay The collection seeks to capture the current historical moment of crisis at which masculinity loses its universal transparency and becomes visible as a performative gender construct Rather than denoting just one fixed polarised point on a hierarchised axis of strictly segregated gender binaries masculinity is revealed to oscillate within a virtually limitless spectrum of gender identities characterised not by purity and self containment but by difference and alterity As the contributors demonstrate rather than a gender in crisis millennial manhood is a gender in transition Patriarchal strategies of man making are gradually being replaced by less exclusionary patterns of self identification inspired by feminism Men have begun to recognise themselves as gendered beings and as a result masculinity has been set in motion Posting the Male Daniel Lea,Berthold Schoene-Harwood,2003 The essays collected in Posting the Male examine representations of masculinity in post war and contemporary British literature focussing on the works of writers as diverse as John Osborne Joe Orton James Kelman Ian Rankin Carol Ann Duffy Alan Hollinghurst Ian McEwan Graham Swift and Jackie Kay The collection seeks to capture the current historical moment of crisis at which masculinity loses its universal transparency and becomes visible as a performative gender construct Rather than denoting just one fixed polarised point on a hierarchised axis of strictly segregated gender binaries masculinity is revealed to oscillate within a virtually limitless spectrum of gender identities characterised not by purity and self containment but by difference and alterity As the contributors demonstrate rather than a gender in crisis millennial manhood is a gender in transition Patriarchal strategies of man making are gradually being replaced by less exclusionary patterns of self identification inspired by feminism Men have begun to recognise themselves as gendered beings and as a result masculinity has been set in motion John Osborne Patricia D. Denison,2012-12-06 For British playwright John Osborne there are no brave causes only people who muddle through life who hurt and are often hurt in return This study deals with Osborne s complete oeuvre and critically examines its form and technique the function of the gaze its construction of gender and the relationship between Osborne s life and work Gilleman has also traced the evolution
