**Contested Power in Ethiopia** Kjetil Tronvoll,Tobias Hagmann,2011-12-02 This book offers a comparative ethnography of the contested powers that shape democratization in Ethiopia Although multi party elections have become the norm in Africa relatively little is known about the significance of non state actors such as traditional authorities in electioneering Focusing on Ethiopia s competitive 2005 elections this book analyzes how customary leaders political parties and state officials confronted and complemented each other during election time Case studies reveal the contemporaneousness of traditional authorities in modern politics but also how multi party competition reproduces traditional relations of domination among ethnic groups The book documents the importance of customary authority in selecting party candidates and providing legitimacy to political parties but also their limitations in a country dominated by a semi authoritarian party state      *Life and Ministry* Melkamu Negeri,2025-06-26 This book narrates how a young boy from rural Ethiopia went through a fascinating journey of life under the guidance of God and became a pastor of the largest Oromo congregation in the diaspora for over two decades It s not only the story of Pastor Melkamu We will also find the early growth of the diaspora Oromo Church its success and challenges in the book I found this book inspiring and educational I highly recommend it Asefa Wakjir This book is a great resource for anyone who wants to learn from the life experiences of such resilient people who passed through different challenges and became successful in their careers The book enumerates the hardships in the life and ministry of Pastor Melkamu His perseverance to overcome those dark days of his life is remarkable Particularly his determination not to give me the time to reflect on what life could have been if God was not with us in our daily encounters I believe anyone who reads this book will praise the Almighty God with Pastor Melkamu in our popular exaltation song that goes like this Kan kee na dhibaa kan kee na dhibaa eessaa nama fuutaa eessaa nama keessaa Yesus Dhoqqee sochoot
