Inspiring communication

Featuring remarkable people communicating passionately and persuasively, TED Talks provide the ELT classroom with inspiring ideas and an unparalleled source of authentic language input. *Keynote* invites students to explore these life-changing stories and develop a deeper understanding of our world. Underpinned by a carefully designed language syllabus, *Keynote* enables students to express themselves powerfully and proficiently in English – in their professional and personal lives.

- Twelve TED Talks provide a springboard for students to develop their authentic listening, critical thinking and presentation skills.
- Clear communicative aims of each lesson are linked to 21st century outcomes and encourage students to respond to ideas and find their own voice.
- Language is presented using real-world input, including infographics, varied text types and profiles of exciting innovators, companies and organizations making a difference.
