

Lord Shaftesbury

Richard Turnbull

Lord Shaftesbury:

Children in Victorian Times Jill Barber, 2013-02-18 At the start of Queen Victoria's reign 1837-1901 children were treated the same as adults. By 1901 this had changed. People thought childhood was a special time and children should be treated differently. This book investigates the lives of Victorian children and introduces people who worked to improve children's lives.

Shaftesbury Richard Turnbull, 2012-10-08 The best-loved politician and social reformer of nineteenth-century England Lord Shaftesbury's deep compassion for the poor became legendary. He campaigned tirelessly to limit factory hours to stop the use of boys as chimney sweeps and children in coalmines and to develop universal education. As a result he changed the character of English society forever. Areas covered in this important new biography include his upbringing and education, his work as a politician and his campaign for mental health, factory and industrial reforms, campaigns for climbing boys and for better sanitation and housing, his contribution towards the founding of the Bible Society, CPAS, London City Mission, Ragged School Union and CMS, his role as a defender of the Protestant faith and the campaign against ritualism, his personal theology.

Excerpt from *Lord Shaftesbury* Shaftesbury was out of the general run of statesmen and politicians yet there are few statesmen of the nineteenth century to whom England owes more in the way of solid and lasting benefit for the general mass of her population He is one of a remarkable band of Englishmen who busied themselves with politics not with the object most usual with politicians in order to carry out the business of the country in accordance with the Views of some political party and by means of the responsibility of office but simply in order to carry into effect certain definite views of their own quite outside the creed of any party in the State In this band should be included men like Wilberforce with his zeal for the emancipation of negro slaves Cobbett the tribune of the agricultural labourer Bright and Cobden of the anti corn Law League Plimsoll scornful of the amenities of parliamentary conventions in his struggle for the lives of our sailors Courtney who gave up brilliant prospects of a successful ministerial career for causes unattractive to the ordinary politician Some of these men did indeed take office but the work for which they are known was accomplished as private Members Again some of these men were narrow in their views and concentrated all their efforts on the one object they saw clear before them being almost wilfully blind to evils as in the case of Wilberforce much nearer to them and yet this very narrowness and single minded concentration is probably one reason why their advocacy of their one pet cause became all the more convincing It is remarkable too that though all these men cared little if at all for responsible office they instinctively felt that it was only through the politicians in Parliament that their objects could be attained whereas in many other countries such objects are more often attained About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *First Report of Her Majesty's Commissioners for Inquiring Into the Housing of the Working Classes* Great Britain.
