Unleash Paige Bevans, 2020-09-29 It starts as a quiet rebellion stirring in your bones No matter what age you are if you are woman you know the demands placed upon you to be everything for everyone all the time With all her energy going to family career and endless errands it is no wonder she can't shake the feeling that somehow along the way she left behind a piece of herself It may surprise you to know that it is much easier than you think to get back that spark that your younger self had so naturally The way to her is through the Wild Feminine a fire that burns fierce in the hearts of all women While constraints of everyday life may have dwindled that fire it can never be fully extinguished Unleash will take you on a journey within where you will kick up the ashes and find the embers still glowing In understanding how you have arrived in this place the patterns that keep you here and how to break free of them you will see that living life as a passionate and wild female is exactly how your younger self always dreamed you would live You are made of fire *Piano Singer/Songwriters* Hal Leonard
