Macroeconomics John Lindauer, 2012-12-17 This book explains all the usual macro topics and is easier and faster to read and understand. Students who are assigned this text or use it instead of their assigned text tend to learn more and receive higher grades. It is available both as an e-book and in print. This is the fourth edition of Professor Lindauer's ground-breaking *Macroeconomics* series. It holds reader interest because it constantly relates the concepts of modern macroeconomics to today's Great Recession and the policies and conditions that brought it about and are needed to end it. Professor Lindauer's previous works include books such as *Land Taxation* and *Indian Economic Development* with Sarjit Singh. Various editions of his *Macroeconomics* series and his ground-breaking journal articles such as *Stabilization Inflation and the Inflation Unemployment Trade off*. A non-technical explanation of the theories and policies described herein is available as *Inflation Unemployment and Government Deficits End Them*. It is suitable for journalists, laymen, and lawyers attempting to serve as Federal Reserve governors. A related explanation of those theories and policies is available as *The General Theories of Inflation Unemployment and Government Deficits*. It is suitable for professional economists and graduate students. Lindauer's books have been translated into Japanese, Spanish, Korean, Hindi, Urdu, Chinese, and Portuguese, and his policy suggestions implemented by central banks around the world. In addition to serving as Professor of Economics and Chairman at Claremont, he has served as a visiting professor of economics at Sussex University and the University of California, and as a Distinguished Senior Fulbright Professor at the University of Punjab.

Macroeconomics, Global Edition Olivier Blanchard, 2016-11-22 For intermediate courses in Economics. A Unified View of the Latest Macroeconomic Events. In *Macroeconomics*, Blanchard presents a unified global view of macroeconomics enabling students to see the connections between goods markets, financial markets, and labor markets worldwide. Organized into two parts, the text contains a core section that focuses on short, medium, and long-run markets and three major extensions that offer more in-depth coverage of the issues at hand. From the major economic crisis and monetary policy in the United States to the problems of the Euro area and growth in China, the text helps students make sense not only of current macroeconomic events but also of events that may unfold in the future. Integrated detailed boxes in the 7th Edition have been updated to convey the life of macroeconomics today, reinforce lessons from the models, and help students employ and develop their analytical and evaluative skills. The full text downloaded to your computer. With eBooks, you can search for key concepts, words, and phrases, make highlights, and notes as you study, share your notes with friends. eBooks are downloaded to your computer and accessible either offline through the Bookshelf or available as a free download available online and also via the iPad and Android apps.
