Value Creation in Management Accounting CJ

McNair-Connolly, 2013-05-31 Value creation is at the heart of an economic enterprise defining its capability to serve customers and generate profits and growth This fact has led to an ever increasing set of tools and techniques that start with customers focusing on serving their preferences from the very inception of a product until its disposal And this data is required to implement a value creation approach that has its roots in the Management Accounting System MAS The resulting model is called the Value based Cost Management System VCMS If you or any manager want to take the lessons you learned in product development process management and marketing this book will help you extend this knowledge to your MAS This book makes this transformation both logical and easy to implement with a focus on the new types of information that can be garnered when the MAS is modified to fit the value creation approach The authors of the book will provide upon request a simplified automated data collection template that will ease the implementation process

Value Creation in Management Accounting and Strategic Management Satoshi Sugahara, Nabyla Daidj, Sumitaka Ushio, 2017-09-25 This book explores two combined approaches strategy and accounting from a cross disciplinary perspective in order to improve knowledge of value creation in various contexts Existing studies on this topic have generally adopted a purely account based or strategy oriented approach to address this issue However this book draws upon a number of well defined theoretical and empirical backgrounds and methodologies Since the 1980s many changes have occurred and companies have increasingly focused their strategies on value creation Consequently new strategic directions have emerged especially for managerial accounting Management accounting and alignment with strategy could thus improve performance This book encourages further thought and reflection on these issues which should be pursued in the future as firms face new challenges associated with the acceleration of digital transformation

Financial and Managerial Accounting, Chapters 12-25, Student Value Edition

Walter T Harrison Jr, Charles T Horngren, Karen Braun, 2008-08-07 **Management and Cost Accounting** Alnoor Bhimani, Srikant M. Datar, 2023 Accounting influences our lives Whether or not one uses accounting information accounting alters our social economic and physical environment And of course it impacts organisations and altering what we do and the decisions we make Corporate action regarding new product developments pricing strategy staff recruitment and salary levels are usually directly influenced by accounting information At times accounting motivates certain types of managerial behaviours and discourages others This book is about understanding the preparation and use of management and cost accounting information taking account of how it influences decisions But accounting is not a pre given in form or process and in this sense accounting is also continuously being reshaped by its context The book therefore also extensively discusses how different factors alter accounting techniques and processes
