Accountability in Missions Jonathan J. Bonk, 2011-10-21 The Korean missions movement is perhaps the most signi cant story of the Church in the world over the past one hundred years Today Korea can boast of being the leading sender of missionaries per head of population Yet this movement has not been well integrated into the global mission community and also this community has at times failed to understand and learn from this tremendous work of God I am excited that God has brought together a unique body of people to wrestle with these issues This work will help bring about much needed collaboration and develop each other s strengths in an environment of mutual respect MALCOLM L MCGREGOR SIM International Director Accountability in Missions is a remarkable book exploring the full range of mission accountability issues strategic nancial and relational from both Korean and North American perspectives This is global missiology made practical and accessible to all missions practitioners The many articles that penetrate the mysteries of Korean and North American interaction especially make it a must read book for all Koreans and North Americans working together STEVE STRAUSS Professor of Mission and Intercultural Studies Dallas Theological Seminary This collection of essays provides a biblical and theological basis for accountability and brings voices East and West demonstrating that accountability to God and to others is a universal principle not linked to one culture or context i e Western Further the collection is eminently practical addressing matters of governance decision making nance and personal integrity To all mission leaders I say read this book Actually read it but also nd colleagues with whom to discuss and digest these principles and review our mission practices GORDON T SMITH President reSource Leadership International
