Managing With Power Politics And Influence In Organizations Jeffrey Pfeffer:

Managing with Power Jeffrey Pfeffer, 1992 An in depth look at the role of power and influence in organizations Pfeffer demonstrates the necessity of power in mobilizing political support and resources to get things done in any organization and he looks at the personal attributes and structural factors that help managers advance organizational goals and achieve individual success

Managing with Power Jeffrey Pfeffer, 1992 An in depth look at the role of power and influence in organizations Pfeffer identifies the sources of power shows how power is used describes the conditions under which power and influence are important and reveals how to manage the political dynamics at work in every organization

Managing with Power Jeffrey Pfeffer, 1992 Change and the positive and negative consequences of power for organizations Politics and influence the mechanisms by which power is realized are unavoidable components of any business indeed any organization Pfeffer shows that by understanding where power comes from and how it can be used effectively managers can help their organizations and themselves achieve great things

Managing With Power Jeffrey Pfeffer, 1993-11-12 Although much has been written about how to make better decisions a decision by itself changes nothing The big problem facing managers and their organizations today is one of implementation how to get things done in a timely and effective way Problems of implementation are really issues of how to influence behavior change the course of events overcome resistance and get people to do things they would not otherwise do In a word power **Managing With Power** provides an in depth look at the role of power and influence in organizations Pfeffer shows convincingly that its effective use is an essential component of strong leadership With vivid examples he makes a compelling case for the necessity of power in mobilizing the political support and resources to get things done in any organization He provides an intriguing look at the personal attributes such as flexibility stamina and a high tolerance for conflict and the structural factors such as control of resources access to information and formal authority that can help managers advance organizational goals and achieve individual success

Power/Gender H. Lorraine Radtke, Henderikus J. Stam, Professor Henderikus J Stam, 1994-01-01 This book investigates the complex strands that inextricably link gender and power relations demonstrating how gender is constructed through the practices of power The contributors argue that female and male are shaped not only at the micro level of everyday social interaction but also at the macro level where social institutions control and regulate the practice of gender Power Gender explores how theorizing on power is affected when gender is taken into account post Foucauldian theory of gender and power whether it is possible to separate gender and power the connections between gender and the practice of power in political contexts and how these connections work in the specific contexts of women s lives and whether the construction of sex or gender is an expression of power relations

The Governance of Philanthropic Foundations in Authoritarian China Qian Wei, 2022-12-16 This book is the first monograph to provide a multilevel analysis of power dynamics underlying the governance of philanthropic foundations in the authoritarian context of China As a special kind of organization with a democratic culture Chinese foundations governance is under more pressure than we realize The government has been evolving its methods to impose stringent control over foundations Chapter 3 and purer foundations highly dependent on individual donations are more likely to adopt authoritarian leadership styles rather than being mechanisms spreading democratic values in Chinese society Chapter 4 However this practice does not come without a price Given power s double edge of both enabling and constraining effects although strongman leaders may use their power to get things done their power may also cause the problem of accountability Chapter 5 Overall Chinese society is a stable system with authoritarian power modes This system is not static but in constant flux homogenizing incompatible parts until all units of the system adopt the same power mode This book establishes a comprehensive and bleak picture of the unfavorable conditions foundations in China face and provides valuable insights to understand the future of the nonprofit sector in China This book will be of interest to students and researchers in the fields of sociology political science and nonprofit studies NGO management It will also be a valuable resource for NGP practitioners

Queen Elizabeth II and the Africans Raphael Chijioke Njoku, 2024-09-05 The road to Queen Elizabeth II s implementation of African reforms was rough especially in the first two decades following her ascension to the throne In this book Raphael Chijioke Njoku examines Queen Elizabeth II s role in the African decolonization trajectories and the postcolonial state s quest for genuine political and economic liberation since 1947 By locating Elizabeth at the center of Anglophone Africa s independence agitations the account harnesses the African interests to tease out the monarch s dilemma of complying with

Whitehall's decolonization schemes while building an inclusive and unified Commonwealth in which Africans could play a vital role Njoku argues that to gratify British lawmakers in her complex and marginal place within the British parliamentary system of conservative versus reformist Elizabeth's contribution fell short of African nationalists' expectations on account of her silence and inaction during the African decolonization raptures Yet ultimately the author concludes she helped build an inclusive and unified organization in which Africans could assert and appropriate political and economic autarky
