writing Veteran teacher Ariel Sacks vividly describes the many academic social emotional and community building advantages of teaching imaginative writing in the classroom not least of which is the impact it has on equity for marginalized students Her book is a teacher to teacher text that folds in detailed practical guidance about how to design lessons and meet standards while presenting a powerful central argument that the writing of fiction should be treated not as a luxury for some but as a center of the English curriculum for all students

Handbook of Empirical Literary Studies Donald Kuiken, Arthur M. Jacobs, 2021-09-20 This handbook reviews efforts to increase the use of empirical methods in studies of the aesthetic and social effects of literary reading The reviewed research is expansive including extension of familiar theoretical models to novel domains e g educational settings enlarging empirical efforts within under represented research areas e g child development and broadening the range of applicable quantitative and qualitative methods e g computational stylistics phenomenological methods Especially challenging is articulation of the subtle aesthetic and social effects of literary artefacts e g poetry film Increasingly the complexity of these effects is addressed in multi variate studies including confirmatory factor analysis and structural equation modeling While each chapter touches upon the historical background of a specific research topic two chapters address the area s historical background and guiding philosophical assumptions Taken together the material in this volume provides a systematic introduction to the area for early career professionals while challenging active researchers to develop theoretical frameworks and empirical procedures that match the complexity of their research objectives

Multicultural Literature and Literacies Suzanne Miale Miller, Suzanne M. Miller, Barbara McCaskill, 1993-01-01 Does literature serve a humanizing function Can it achieve social transformation What roles does literature play for defining self creating community and achieving global perspective This is the first book to thoroughly explore the methods by which educators creative writers and policymakers have constructed workable models of teaching literature in multicultural classrooms The authors provide an interdisciplinary dialogue on the setbacks solutions silences and successes that often occur in classes of multicultural literature They all take the stance that definitions of literacy and literature originate as much outside the classroom as within it With the inclusion of essays by writers themselves a feature provided by no other book on this subject the authors offer a unique vocalization of the nationalistic economic empowering and moral purposes that reading and writing serve The book also includes a current guide to selected resources in multicultural literature in hopes of encouraging and facilitating instructors in the transformation of their own literature courses into multicultural ones
