Lontane Vicine Le Relazioni Fra Cina E Italia Nel Novecento:

Lontane, vicine Guido Samarani, Laura De Giorgi, 2011 Italy and Japan: How Similar Are They? Silvio Beretta, Axel Berkofsky, Fabio Rugge, 2014-07-01 This book provides an enlightening comparative analysis of Japan's and Italy's political cultures and systems economics and international relations from World War II to the present day It addresses a variety of fascinating questions ranging from the origins of the authoritarian regimes and post war one party rule in both countries through to Japan's and Italy's responses to the economic and societal challenges posed by globalization and their international ambitions and strategies Similarities and differences between the two countries with regard to economic development models the relationship of politics and business economic structures and developments and international relations are analyzed in depth This innovative volume on an under researched area will be of great interest to those with an interest in Italian and Japanese politics and economics East and West Entangled (17th-21st Centuries) Rolando Minuti, Giovanni Tarantino, 2023 History has to reorient as the historian and sociologist Andre Gunder Frank observed In the global or globalised age a culture is no longer regarded as a discrete entity but rather as a hybrid formation that interacts with other cultures in an incessant process of multidirectional exchange Bringing together Eastern and Western case studies ranging from the seventeenth to the twenty first centuries this volume reminds historians that to conduct transcultural analyses they need to be alert to the multiple ways comic intents included in which difference is negotiated within contacts and encounters from selective appropriation to rejection or resistance Italy's Encounters with Modern China M. Marinelli, G. Andornino, 2013-11-07 Developed by an international team of historians sociologists political scientists and economists this collection is the most comprehensive reader of the history of Sino Italian relations currently available in the English language The Rise of Bolshevism and its Impact on the Interwar International Order Valentine Lomellini, 2020-02-07 This book examines the international impact of Bolshevism in the period between the two World Wars It explores both the significance of the Bolshevik threat in European countries and colonies as well as its spread through the circulation of ideas and people during this period Focusing on the interplay between international relations and domestic politics the volume analyses the rise of Bolshevism on the international stage incorporating insights from India and China The chapters show how the interwar international order was challenged by the ideology which infiltrated a range of political societies While it was incapable of overthrowing national systems Bolshevism constituted a credible threat which favoured the spread of fascist and nationalist trends Offering the first detailed account of the Bolshevik danger at an international level the book draws on multi national and multiarchival research to examine how the peril of Bolshevism paradoxically allowed a stabilization of the post World War I Versailles system Cultural Mobilities Between China and Italy Valentina Pedone, Gaoheng Zhang, 2023-10-11 This book offers a critical analysis of global mobilities across China and Italy in history In three periods in the twentieth century new patterns of physical mobilities and cultural contact were established between the

two countries which were either novel at the time of their emergence or impactful on subsequent periods The first two chapters provide overviews of writings by Italians in China and by Chinese in Italy in the twentieth century The remaining chapters cover Republican China's relationships with Italy and Italian Fascist colonialism in China during the 1920s 1930s Italian travelers to China during the Cold War from the 1950s to the 1970s migrations between China and Italy during the 2000s 2010s In analyzing these cultural mobilities this book opens a new line of inquiry in Chinese Italian Cultural Studies which has been dominated by historical study and contributes a significant case study to the scholarship on global cultural mobilities

Exchanges and Parallels between Italy and East Asia Gaoheng Zhang, 2019-12-18 This collection of essays is the first English language study to present the latest research on Italy's cultural relationships with China and Japan across the centuries It explores topics ranging from travel writing to creative arts from translation to religious accommodation and from Cold War politics to Chinese American cuisine The volume draws on the expertise of an interdisciplinary group of scholars trained and working in Europe East Asia and North America who re-assess research foci and frames showcase transcultural and theoretically informed research and help to strengthen this field of study

Words and visions around/about Chinese transnational mobilities 卞卞 Valentina Pedone, Miriam Castorina, 2023 This collection gathers the contributions of ten scholars on the topic of transnational cultural and physical mobility originating in China These contributions aim to open conversations among Chinese Studies scholars by applying a Mobility Studies perspective Exploring diverse narratives and forms of representation from people of Chinese heritage the book is divided into three parts that each look closely at the relationship between movement and cultural production The first part is dedicated to four types of mobility of people from China to Italy namely tourist mobility Miriam Castorina labor mobility Valentina Pedone student mobility Xu Hao and mobility of social elites Andrea Scibetta The second part is dedicated to examples of reverse mobility from Italy to China Gao Changxu Chiara Lepri Giuseppe Rizzuto The third part focuses on case studies based on mobilities from China to territories other than Italy Rebecca Ehrenwirth Martina Renata Prosperi Giulia Rampolla

China, East Asia and the European Union, 2016-11-21 In China East Asia and the European Union specialist authors from both Europe and Asia reflect on the dynamic relationship between the three actors from an International Relations perspective The book is a testimony to China's seemingly unstoppable rise both in the East Asian region and in the relationship with the EU and its member states The authors investigate why the economic links between the European Union and East Asia have become so firmly established while in comparison the political bond has remained underdeveloped They conclude that the crises the EU is currently facing seriously affect its manoeuvring space vis-à-vis China and its neighbours both economically and politically Contributors are Ding Chun Neil Duggan Enrico Fardella Frank Gaenssmantel Tjalling Halbertsma Daniel R Hammond Jan van der Harst Elisa H rhager Jing Jing Werner Pascha Sanne Kamerling David Kerr Silja Keva Christopher K Lamont Li Junyang Feng Liu Maaike Okano Heijmans Nadya Stoyanova and Herman Voogsgeerd

Europe and China in the Cold War

,2018-11-26 Europe and China in the Cold War studies Sino European relations from the establishment of the People's Republic of China PRC in 1949 to the Tiananmen Square protests of 1989 Based on new multi archival research the international authorship presents and analyses diplomatic and personal relationships between Europe and China at the political economic military cultural and technological levels In going beyond existing historiography the book comparatively focuses on the relations of both Eastern and Western Europe with the PRC and adopts a global history approach that also includes non state and transnational actors This will allow the reader to learn that the bloc logic and the Sino Soviet split were indeed influential yet not all determining factors in the relations between Europe and China **Transcultural Italies**

Charles Burdett,Loredana Polezzi,Barbara Spadaro,2020-12-01 The history of Italian culture stems from multiple experiences of mobility and migration which have produced a range of narratives inside and outside Italy This collection interrogates the dynamic nature of Italian identity and culture focussing on the concepts and practices of mobility memory and translation It adopts a transnational perspective offering a fresh approach to the study of Italy and of Modern Languages **Rethinking**

Revolutions from 1905 to 1934 Stefan Berger,Klaus Weinbauer,2022-12-13 This edited collection offers a timely and original perspective on the many upheavals and revolutions that broke out across the world during the early twentieth century With previous research tending to confine revolutions within national borders this book sets out to place them within a broader global sphere of thought and action The authors explore the time phase between the Russian Revolution of 1905 and the Asturian Revolution of 1934 including cases from South Africa Australia China the Middle East and Latin America Providing insights from leading scholars in the field this collection highlights the interconnectedness and transnationalism of upheavals and revolutions offering a new approach which integrates political social and cultural history Chapter 8 is available open access under a Creative Commons Attribution 4.0 International License via [Link springer.com](https://link.springer.com) **Contact**

Zones in China Merle Schatz,Laura De Giorgi,Peter Ludes,2020-04-20 The local experiences of foreigners in China in the 19th and early 20th centuries exemplify the often latent or tacit patterns of social encounters individually or in groups with certain cultural boundedness stability and homogeneity This book takes into account virtual mediated imaginative contact zones and looks back at much slower and delimited times and focuses primarily on some selective experiences by Italians and Germans In doing so it accounts for trajectories from individual and small groups with local territorial physical and fully sensual interfaces to fully programmed and highly steered contact zones in the 21st century **Rereading Travellers to**

the East Beatrice Falcucci,Emanuele Giusti ,Davide Trentacoste,2022-07-06 Rereading Travellers to the East aim to offer a new perspective on travel literature the question of nation building and the history of orientalism Rereading Travellers focuses on the rereadings to which early modern travel literature about Asia has been subjected by different actors involved in the political economic cultural and intellectual life of post unification Italy The authors highlight how this literature has been reinterpreted and reused for political and ideological purposes in the context of the formation and reformation of

collective identities from the Risorgimento to the Fascist regime and the early republic By showing the potential of the notion of rereading the volume outlines a history of the political and cultural legacy of travel literature which goes well beyond Italy

La Cina e noi Giovanni B. Andornino, 2023-04-28T00:00:00+02:00 Cosa sappiamo dell'Oriente e della Cina in particolare Quali strumenti abbiamo per dare senso a questa parte di mondo Sorprendentemente pochi Eppure comprendere la Cina oggi significa interrogarci sul nostro futuro in un momento in cui per l'Europa questo Paese si delinea al contempo come un partner con cui collaborare sulle grandi sfide planetarie come un concorrente sul piano economico e come un rivale sistemico La Cina maoista durante la Guerra fredda era di fatto isolata mentre quella odierna esercita un'influenza senza precedenti tanto sugli equilibri globali quanto sui destini individuali Avvicinarci a essa con un bagaglio culturale che non abbia tenuto il passo di questo cambiamento ci impedisce di costruire relazioni efficaci e responsabili Questo libro ci porta dunque nel cuore e nella mente di una Cina in cui la concezione del potere e del rapporto tra Stato e cittadini profondamente diversa dalla nostra rimettendo a fuoco come una cartina di tornasole aspetti delle nostre democrazie che diamo per scontati Ci mostra come il retaggio del passato imperiale influenzi tuttora le ambizioni per il futuro del Partito Comunista Cinese impegnato in un progetto di rigenerazione nazionale che chiama in causa anche lo status di Taiwan Ci spiega perché l'atteggiamento di Pechino verso l'Occidente resti ambivalente nonostante oltre quarant'anni di apertura agli scambi commerciali abbiano fatto della Cina la seconda potenza economica al mondo Giovanni Andornino ribalta la prospettiva da cui siamo soliti guardare alla Cina affrontando il discorso da un'ottica interna a partire dalle riflessioni che impegnano i cinesi stessi nel tentativo di costruire una propria versione di modernità Ci offre così le coordinate per cogliere della Cina un'immagine più tridimensionale ricca di fascino storico e spunti per leggere il presente e il futuro
