Towards the River's Mouth (Verso la foce), by Gianni Celati Patrick Barron, 2018-12-03 Italian writer and filmmaker Gianni Celati's 1989 philosophical travelogue *Towards the River's Mouth* explores perception memory place and space as it recounts a series of journeys across the Po River Valley in northern Italy The book seeks to document the new Italian landscape where divisions between the urban and rural were being blurred into what Celati terms a new variety of countryside where one breathes an air of urban solitude Celati traveled by train by bus and on foot at times with photographer Luigi Ghirri at others exploring on his own without predetermined itineraries taking notes on the places he encountered watching and listening to people in stations fields bars houses squares and hotels In this way the book took shape as Celati traveled and wrote gathering and rewriting his notes into stories of observation 9 Celati attempts to find meaning by seeking the uncertain limits of our ability to discern everyday surroundings Every observation as he puts it needs

liberate itself from the familiar codes it carries to go adrift in the middle of all things not understood in order to arrive at an outlet where it must feel lost At the forefront of the then nascent spatial turn in the humanities Towards the River's Mouth is a key text of what in recent years has been variously termed literary cartography literary geography and spatial poetics Its call to carefully and affectionately examine our surroundings while attempting to step back from habitual ways of perceiving and moving through space has resonated as much with literary scholars and other writers as with geographers and architects By now a classic of twentieth century Italian literature it has in recent years garnered increasing attention especially with the growth of ecocriticism and new materialism within the environmental humanities This edition translated into English for the first time features an introduction that places Towards the River's Mouth in the context of Celati's other work and a selection of ten scholarly essays by prominent figures in comparative literature and Italian studies **Enlightening Encounters**
