Like Brothers Mark Duplass, Jay Duplass, 2021-02-09

The multitalented writers directors producers and actors as seen on *The League* *Transparent* and *The Mindy Project* share the secrets of their lifelong partnership in this unique memoir A book that anyone will love You can enjoy it even if you have no idea who the Duplass brothers are Janet Maslin *The New York Times* Whether producing writing directing or acting the Duplass Brothers have made their mark in the world of independent film and television on the strength of their quirky and empathetic approach to storytelling Now for the first time Mark and Jay take readers on a tour of their lifelong partnership in this unique memoir told in essays that share the secrets of their success the joys and frustrations of intimate collaboration and the lessons they ve learned the hard way From a childhood spent wielding an oversized home video camera in the suburbs of New Orleans to their shared years at the University of Texas in early nineties Austin and from the breakthrough short they made on a three dollar budget to the night their feature film *Baghead* became the center of a Sundance bidding war Mark and Jay tell the story of a bond that s resilient affectionate mutually empowering and only mildly dysfunctional They are brutally honest about how their closeness sabotaged their youthful romantic relationships about the jealousy each felt when the other stole the spotlight as an actor Mark in *The League* Jay in *Transparent* and about the challenges they faced on the set of their HBO series *Togetherness* namely too much togetherness But *Like Brothers* is also a surprisingly practical road map to a rewarding creative partnership Rather than split all their responsibilities fifty fifty the brothers learned to capitalize on each other s strengths They re not afraid to call each other out because they re also not afraid to compromise Most relationships aren t and frankly shouldn t be as intense as Mark and Jay s but their brand of trust validation and healthy

disagreement has taken them far Part coming of age memoir part underdog story and part insider account of succeeding in Hollywood on their own terms Like Brothers is as openhearted and lovably offbeat as Mark and Jay themselves Wright Ringling Jonas I m sure you could name a bunch of famous brother teams They re all garbage compared to Mark and Jay I can t wait for you to read this book from the foreword by Mindy Kaling **Maximum PC** ,2004-08 Maximum PC is the magazine that every computer fanatic PC gamer or content creator must read Each and every issue is packed with punishing product reviews insightful and innovative how to stories and the illuminating technical articles that enthusiasts crave
