How to Write and Sell Simple Information for Fun and Profit Robert W. Bly, 2010-08-31 Packed with income generating ideas about creating a variety of saleable written works this guide includes information for researching and writing effective instructional materials and calling upon a variety of publishing channels including magazines traditional book publishers self publishing and the Internet The mechanics behind becoming a successful writer and information packager are presented in this resource that explores how to write and sell simple information in multiple formats allowing writers to turn specialized knowledge into money making books and products

The New York Times Index, 2002 **How to Sell EBooks Online** Minh Pham, 2019-09-10 The internet has changed so

many things in our world As consumers snail mail letters were replaced with email We Skype instead of draining our wallets with long distance phone calls And we shop on Amazon instead of fighting for a parking space and dealing with the crowds at the local shopping mall On the flip side of that as internet entrepreneurs we use email to market our products and services Skype to conduct meetings and can earn a living selling on Amazon com And that s just a small taste of all the disruptions we ve enjoyed thanks to the internet One of the biggest disrupted industries and one of those that provides a great path to a solid making money online venture for an individual entrepreneur is in book publishing Specifically publishing and selling ebooks online You see what the big publishing houses do with big offices of editors writers administrative staff and then big printing presses then distribution centers to get their books out to bookstores around the country all to hopefully get books in the hands of customers you can do on the computer you have right now If that s not massive disruption I don t know what is With all the red tape play to pay tactics and the lack of marketing support from the big publishing houses along with low royalties many are finding that self publishing is a much better option and in most cases a more profitable option There are some key differences between this self publishing which by the way doesn t have the negative connotations it used to and the traditional publishing process You won t be dealing with printed books for one That eliminates the expense and hassle of actually creating books storing them and delivering them and that may not even sell It s going to be all digital These are ebooks which can be read on devices like Amazon s Kindle on another tablet or smartphone or even on a computer From humble beginnings ebooks now sell in the millions each year representing about 20 percent of the publishing market in the United States Industry watchers say that by 2018 ebook revenues will reach over 8 billion per year And there is plenty of room for a one person ebook entrepreneur to get a piece of that market So let s take a look at how you can make money with ebooks from the brainstorming to the writing and most importantly the marketing and selling of your ebooks online So take a look at this book and see what interests you **How to Make, Market and Sell Ebooks - All for Free** Jason

Matthews,2013-09-09 the best book hands down for any author looking to self publish a refreshing change from the hard sell type of internet marketing I d been exposed to previously I would have given this book 10 stars if I could a must have for anyone who aspires to self publish Now having read many more on the subject there are many I can say without question this is THE BEST ONE Your one stop guide for everything self publishing Save time money energy and sell ebooks Discover the best ways to Maximize Social Media and Online Platform Create a Professional Blog Site Design Ebook Covers Format and Upload for Amazon Smashwords Barnes Noble Apple and other Retailers Convert Documents to any Format epub mobi pdf and more Create a Professional Website Rise with SEO search engine optimization in Google Bing rankings Sell from your own Sites with a system that runs on Autopilot Make Paperbacks Use PR public relations to drive Traffic to You and much more Plus you can do all these things for free Packed with information examples over 250 links to sites and software to accomplish goals at retailers and your own websites Simple enough for beginners and relevant to experts who could use
