Handbook Of Multicultural School Psychology An Interdisciplinary Perspective Consultation And Intervention Series In School Psychology:

Handbook of Multicultural School Psychology Emilia C. Lopez, Sara G. Nahari, Giselle B. Esquivel, Sherrie L. Proctor, 2012-02-27 This comprehensive handbook offers a beautifully balanced view of the emerging field of multicultural school psychology. The opening section provides an historical overview of how the field has developed and succeeding sections discuss multicultural issues related to consultation, instructional interventions, alternative assessment, academic assessment, vocational assessment, culturally sensitive counseling models, and working with families and special populations. Theory, research, and practice are integrated throughout. Key features of this exciting new book include: Interdisciplinary Perspective. Many chapters are written by authors from different disciplines, all of whom have multicultural expertise. The last chapter provides summarizing commentaries written by leaders in different disciplines. Scientist-Practitioner Focus. Evidence-based interventions for culturally and linguistically diverse students are provided for major competency areas such as consultation, counseling, and special programs (e.g., bilingual and multicultural education). Assessment Focus. Multicultural and bilingual assessment issues are discussed in the chapters covering language, cognitive, personality, behavioral, neuropsychological, vocational, acculturational, and academic assessment. Special Populations Focus. The needs of special populations such as culturally different parents, gifted and talented children, preschool children, migrant families, and children with low and high incidence learning disabilities are discussed in section VI. This book is appropriate for graduate courses and seminars dealing with multicultural school psychology. It is also a useful reference for researchers and practicing school psychologists and the libraries serving them.

Handbook of Multicultural School Psychology Emilia C. Lopez, Sara G. Nahari, Sherrie L. Proctor, 2017-03-16 The second edition of the Handbook of Multicultural School Psychology continues the mission of its predecessor, offering a comprehensive interdisciplinary view of the field of multicultural school psychology and addressing the needs of children and families from diverse cultural backgrounds. The revised organizational structure includes the following: History and Professional Issues; Consultation and Collaboration; Interventions Focused on Academic and Mental Health Issues; Data-based Decision Making; Systems-based Issues; Training and Research; and Future Perspectives. Nineteen of the volume's twenty-three chapters are completely new to this edition, while the rest have been effectively revised and updated. Comprehensive. In seven sections, this book covers theoretical research and practical concerns in a wide range of areas that include multicultural and bilingual issues, second language acquisition, acculturation, parent collaboration, research, and systemic issues. Chapter Structure. Chapter authors follow a uniform structure that includes theoretical and research issues and implications for practice. Recent practice and training guidelines including Blueprint for Training and Practice III, 2006 NASP Model for Comprehensive and Integrated School Psychological Services, 2010 and APA Multicultural Guidelines, 2003 are covered. School-Based Consultation and Students with Autism Spectrum Disorder Elizabeth

McKenney, 2020-08-09. School Based Consultation and Students with Autism Spectrum Disorder examines the preventive and remedial powers of consultation for indirectly supporting the needs of youth with Autism Spectrum Disorder (ASD) through collaborating with their parents and educators. Given the unprecedented numbers of students with ASD in schools and the variety of evidence based interventions currently available, consultation helps ensure appropriate service delivery across the range of student functioning. Focusing on foundational knowledge and skills that school consultants need to incorporate ASD service delivery into their research and practice, this text addresses consistent and effective service delivery for students with ASD to optimize their positive academic, behavioral, adaptive, and social communicative outcomes. Highlighting relevant cross cultural research throughout its chapters, the book concludes with a section on future directions in the field that includes areas for improvement in meeting the needs of diverse students, families, and schools.
