Historia De La Eternidad Jorge Luis Borges

David William Foster

Historia De La Eternidad Jorge Luis Borges:

Historia de la eternidad Jorge Luis Borges,1975 El ensayo literario y la reflexión filosófica tan importantes en la obra de Jorge Luis Borges como los relatos y poemas nutren esta Historia de la eternidad El trabajo que da título al volumen se ocupa del tiempo y de su negación y examina dos concepciones contrapuestas de eternidad la alejandrina de raíz platónica la cristiana nacida de la doctrina trinitaria de Ireneo y formalizada por San Agustín Otras dos penetrantes disgresiones estudian la doctrina de Nietzsche sobre el eterno retorno y las concepciones basadas en el carácter recurrente del movimiento histórico El examen de las versiones clásicas de la 1001 noches ilustra los condicionamientos culturales e históricos de la labor de traducción

La poesía de Jorge Luis Borges Vicente Cervera Salinas,1992 **A Descriptive Catalogue of the Jorge Luis**

Borges Collection at the University of Virginia Library C. Jared Loewenstein,1993 Nearly a decade in compilation this catalogue is the most complete checklist to date of works by and about Argentine poet essayist and short story writer Borges 1899-1988 The catalogue describes the holdings in the Borges collection at the U of Virginia Library the world's finest and most complete collection of works by and about Borges Annotation copyright by Book News Inc Portland OR Jorge Luis

Borges David William Foster,1984 **The Oxford Handbook of Jorge Luis Borges** Oxford Handbooks,2024 The Oxford Handbook of Jorge Luis Borges contextualizes the Argentine writer Jorge Luis Borges's work for a new generation of twenty-first century readers and critics Most known for his creative fictions that tackle literary questions of authorship as well as more philosophical notions such as multiverse theory Borges has captivated scholars from a variety of disciplines since his emergence on the international scene This volume shifts the emphasis to Borges's working life his writing processes his collaborations and networks and the political and cultural background of his production It also evaluates his impact on a variety of other fields ranging from political science and philosophy to media studies and mathematics **Kierkegaard's**

Influence on Literature, Criticism, and Art Jon Bartley Stewart,2013 Vol 2 is dedicated to the use of Kierkegaard by later Danish writers Almost from the beginning Kierkegaard's works were standard reading for these authors Danish novelists and critics from the Modern Breakthrough movement in the 1870s were among the first to make extensive use of his writings These included the theoretical leader of the movement the critic Georg Brandes who wrote an entire book on Kierkegaard and the novelists Jens Peter Jacobsen and Henrik Pontoppidan **Jorge Luis Borges (1899-1986) as Writer and Social**

Critic Gregory Joseph Racz,2003 The essays in this book ably edited by Dr Racz attempt to read Borges in this counter-monumental mode using the centennial of his birth as a point of departure It is a fitting way to do Borges in our tangled era keenly aware of the perils of public memorializing in Buenos Aires's Memory Park to the disappeared in New York's Ground Zero memorial to the blown apart yet striving for the kind of open and fluid remembrance of the past that encourages new tellings of what inevitably will become old tales **Jorge Luis Borges** Lucas Adur,2025-09-04 Como se escribe una vida La

pregunta por las posibilidades y límites de la biografía inquiet al propio Borges Una vida según reflexionaba el escritor consta

de una cantidad casi innumerable de hechos. Cualquier biografía por extensa que sea implica un recorte, una selección por donde empezar, qué escenas privilegiar y abordar en detalle, cuáles pueden omitirse, cómo elegir aquellas que marcan hitos. A lo largo de estas páginas el lector encontrará un encantador recorrido por la vida o las vidas de uno de los mayores escritores de la lengua española, así como uno de los más interesantes personajes de la literatura del siglo pasado. Y es que Borges comprendí muy prontamente que no basta con escribir textos para ser un escritor, al menos no la clase de escritor que I quer a ser para renovar la literatura, para fundar una mitología criolla, para imponer una determinada concepción de la poesía o de la narración. Necesitaba socios, colaboradores, amigos y rivales. La historia de su existencia pasa, pues, como lo hace este libro, por transitar constantemente de lo privado a lo público, de lo oficioso a lo oficial, de la persona al personaje y a la inversa.

Volume 12, Tome V: Kierkegaard's Influence on Literature, Criticism and Art Jon Stewart, 2016-12-05 While Kierkegaard is primarily known as a philosopher or religious thinker, his writings have also been used extensively by literary writers, critics, and artists. This use can be traced in the work of major cultural figures not just in Denmark and Scandinavia but also in the wider world. They have been attracted to his creative mixing of genres, his complex use of pseudonyms, his rhetoric, and literary style, and his rich images, parables, and allegories. The present volume documents this influence in the different language groups and traditions. Tome V treats the work of a heterogeneous group of writers from the Romance languages and from Central and Eastern Europe. Kierkegaard has been particularly important for Spanish literature: the Argentine writers Jorge Luis Borges, Leonardo Castellani, and Ernesto Sábato; the Mexican writer Carlos Fuentes; and the Spanish essayist and philosopher María Zambrano were all inspired to varying degrees by him. The Dane also appears in the work of Romanian writer Max Blecher, while the Portuguese author Fernando Pessoa was almost certainly inspired by Kierkegaard's use of pseudonyms. Kierkegaard has also influenced diverse literary figures from Central and Eastern Europe. His influence appears in the novels of the contemporary Hungarian authors Péter Nádas and Péter Esterházy, the work of the Russian writer and literary critic Mikhail Bakhtin, the Polish writer Witold Gombrowicz, and the Czech novelist Ivan Klíma. Tome V also examines how Kierkegaard's treatment of the story of Abraham and Isaac in *Fear and Trembling* interested the Polish-born Israeli novelist Pinchas Sadeh.

Jorge Luis Borges Tim McNeese, 2008 He read and wrote with the greatest of passions. And Jorge Luis Borges, the greatest of Argentine writers, created through a 60-year-long career one of the significant and enduring literary legacies of any writer of the 20th century. The reach of his poetry, his stories, and his essays was global.

The Making of Jorge Luis Borges as an Argentine Cultural Icon Mariana Casale O'Ryan, 2014-05-05 Jorge Luis Borges is undeniably Argentina's best-known and most influential writer. In addition to scholarly studies of his work, his emblematic figure continues to appear on book covers and carrier bags, in biographies, plaques, and statues, photographs, and interviews, as well as cartoons and city tours. *The Making of Jorge Luis Borges as an Argentine Cultural Icon* argues that the ideas and expectations that Argentine people have placed upon the author, thus constructing the icon, are also those that allow them to

define their cultural identity The book examines these intertwined processes by analysing the image of Borges in biographies photographs comic strips and urban spaces and the socio political historical and cultural contexts in which they were produced The study seeks not to reveal a Borgesian essence but rather to expose the complexity of the ongoing mechanisms which construct Borges the icon Despite the vast amount of biographical and critical work about the writer that has been produced in Argentina and abroad **The Making of Jorge Luis Borges as an Argentine Cultural Icon** is the first in depth comprehensive examination of the construction of the author as an Argentine cultural icon **Jorge Luis Borges** Beatriz Sarlo, 2020-05-05 Jorge Luis Borges is generally acknowledged to be one of the twentieth century s most significant writers Yet in all the critical debates on his work the fact that he is Argentinian is rarely discussed as if his international reputation had somehow cleansed him of nationality In this brilliant introduction to his work Sarlo challenges these universalist readings arguing that they leave aside vital aspects of Borges writing including his powerful vision of Argentina s past and its traditions which placed both the writer and his country at the intersection of European and Latin American culture

Postcolonial Borges Robin Fiddian, 2017-08-04 Postcolonial Borges is the first systematic account of geo political and postcolonial themes in a range of writings by Borges from the poetry and essays of the 1920s through the prose and poetry of the middle years the 40s 50s and 60s to the stories of *El informe de Brodie* and the poems of *La cifra* and other later collections Robin Fiddian analyses the development of a postcolonial sensibility in works such as *Mythical Founding of Buenos Aires* *Tl n Uqbar* *Orbis Tertius* *Theme of the Traitor and the Hero* and *Brodie s Report* He examines Borges s treatment of national and regional identity and of East West relations in several essays and poems contained for example in *Other Inquisitions* and *Seven Nights* The theoretical concepts of coloniality and Occidentalism shed new light on several works by Borges who acquires a sharper political profile than previously acknowledged Fiddian pays special attention to Oriental subjects in Borges s works of the 70s and 80s where their treatment is bound up with a critique of Occidental values and assumptions Classified by some commentators over the years as a precursor of post colonialism Borges in fact emerges as a prototype of the postcolonial intellectual exemplified by James Joyce Aim C saire for example and Edward Said From a regional perspective his repertoire of geopolitical and historical concerns resonates with those of Leopoldo Zea Enrique Dussel Eduardo Galeano and Joaqu n Torres Garc a who illustrate different strands and kinds of Latin American post colonialism s of the twentieth century At the same time manifest differences in respect of political and artistic temperament mark Borges out as a postcolonial intellectual and creative writer who is sui generis **Jorge Luis Borges** *Lame Duck* Books, 2003 **The Cosmic Web** N. Katherine Hayles, 2018-03-15 No detailed description available for *The Cosmic Web*

Look Away! Jon Smith, Deborah Cohn, 2004-07-21 Examines what happens to our paradigms of the American south if we understand the south hemispherically to include Latin America and the Caribbean *Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 21 (2005)* Inter-American Commission on Human

Rights,2022-09-12 This volume of the Inter American Yearbook on Human Rights covers the year 2005 and is organized along the same lines as its predecessors Part One provides general information concerning the Inter American Commission on Human Rights and Part Two contains information concerning the Inter American Court of Human Rights The print edition is available as a set of two volumes 9789004186941

Borges Enrique Gallud Jardiel,2020-10-14 Jorge Luis Borges 1899 1986 es sin duda alguna uno de los m s grandes genios que ha dado la literatura Este poeta y narrador argentino de extraordinaria cultura literaria y excepcionales dotes creadoras se inici en el ultra smo para deriv hacia un estilo propio original e inigualable En sus temas locales o universales se encuentran las m s bellas met foras y los m s intrincados s mbolos Su vida transcurri entre libros que eran su pasi n pues fue bibliotecario durante muchos a os Se mostraba m s orgulloso de los libros que hab a le do que de los que hab a escrito Por una de esas terribles iron as del destino esta persona nacida para leer perdi la vista por una enfermedad Los avatares de su vida se cuentan en esta biograf a bellamente ilustrada que nos acercar a uno de los hombres que m s han amado la cultura y el saber

Historical Dictionary of Nietzscheanism Carol Diethe,2013-12-19 Few philosophers have been as popular prolific and controversial as Friedrich Nietzsche who has left his imprint not only on philosophy but on all the arts Whether it is his concept of the *bermensch* or his nihilistic view of the world Nietzsche s writings have aroused enormous interest as well as anathema in scholars for centuries This third edition of *Historical Dictionary of Nietzscheanism* covers the history of this philosophy through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 hundred cross referenced entries on his major writings his contemporaries and his successors This book is an excellent access point for students researchers and anyone wanting to know more about Friedrich Nietzsche

Borges and Kafka Sarah Rachelle Roger,2017 Sarah Roger investigates Jorge Luis Borges s development as an author in light of Franz Kafka s influence and in consideration of Borges s relationship with his father a failed author She explores how reading Kafka helped Borges mediate and make productive use of his own relationship with his father
