Congress. House. Committee on Ways and Means,2005

The Pro-Growth Progressive Gene Sperling,2005-11-30
President Bill Clinton s National Economic Adviser addresses the main issues that were at the center of debate in Bush s second term Social security reform outsourcing and deficit reduction After two consecutive elections in which Democratic candidates failed to turn clear economic advantages into electoral victory a debate is raging over what the Democrats should do now The narrow red state blue state argument between chest beating populists and soulless centrists offers the answer to neither the country s economic future nor the political future of the Democrats In The Pro Growth Progressive President Clinton s longest serving national economic advisor Gene Sperling argues that the best economic strategy for our nation and the best strategy for progressives whether they be Democrat Republican or Independent is to pursue policies that are both progressive and pro growth that promote progressive values of upward mobility fair starts and economic dignity as well as embrace markets and innovation Sperling describes how both parties offer the American public impoverished choices Democrats in the sky is falling party too often pretend that the way to promote progressive values and expand the American middle class is to slow the pace of the global economy stop all outsourcing and intervene in the market Republicans of the don t worry be happy party hold fast to the bankrupt vision that the best thing for economic growth is the smallest

government possible and have made the conservative deficit hawks of the 1990s an endangered species But The Pro Growth Progressive is neither an all out assault on the Bush agenda nor a partisan call for Democrats to move further left Both conservatives and progressives have to accept hard truths about the limitations of their approaches Drawing on his years of policy experience Sperling lays out a third way on the issues that are dominating the news and Bush s second term social security ownership globalization and deficit reduction He explains the policy alternatives that respect the power of free markets while giving government a role in ensuring that the markets benefit all working families Focused and timely The Pro Growth Progressive offers a realistic vision of free enterprise and economic growth in which government can improve education reduce poverty and restore the country to fiscal sanity **Congressional Record** United States. Congress,2004 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Blue Book of Occupational Education** Max M. Russell,1971 **Legislative Calendar, Committee On Ways And Mean, Final Calendar, 109-1&2, January 4, 2005-December 9, 2006, *** United States. Congress. House. Committee on Ways and Means,2007 College Blue Book Macmillan Reference USA.,2007-11 Guide to thousands of 2 and 4 year schools in the U S and Canada Covers the expected listings and detailed descriptions degree programs offered scholarships and occupational education programs
Congressional Record Index ,1967 Includes history of bills and resolutions
