Gulzar, 2013-04-15 Twenty-five fascinating stories from the inimitable Gulzar. A suicide bomber in a small town plans out her last day getting herself photographed before she goes and blows up the prime minister. A drunkard in a Mumbai slum tries to compete with the torrential rain even as it washes his dwelling away. An army man at the border has become so accustomed to speaking over the wireless that he now ends every sentence with 'Over'. And in the title story, a cop drags a dead cow from Vinayak Rao Patwardhan Road to the adjoining Bapu Road since the latter is so much easier to spell. From real life stories about Javed Akhtar, Sahir Ludhianvi and Kuldeep Nayyar to tales set in Kashmir in the hinterland in the modern megalopolis and on the LoC from anecdotes of love and betrayal to fables of courage and conviction, this is an enthralling collection available in English for the very first time. **Half a Rupee Stories**, 2013-04-15

This collection of essays explores the post-colonial concerns and themes that have shaped modern Indian literature, reflecting the complex interplay of cultural, social and political forces in India's contemporary context. The diverse range of perspectives presented in this book sheds light on the rich tapestry of voices and experiences that define the Indian literary landscape today. The essays in this volume delve into a variety of themes including identity, gender, social justice, diaspora and the legacy of colonialism. They interrogate how Indian writers navigate their relationship with the colonial past while also engaging with the challenges and opportunities presented by India's rapidly changing social and economic landscape. By exploring the

intersections of language identity and power these essays offer insightful analyses of how post colonial concerns are woven into the fabric of contemporary Indian writing in English Their interdisciplinary and nuanced analyses provide a comprehensive overview of the complex realities and enduring legacies that continue to shape Indian writing in English Together they challenge and expand our understanding of the post colonial concerns that animate contemporary Indian literature offering new insights and perspectives that will resonate with scholars students and enthusiasts of Indian literature alike It is hoped that the essays in this volume will inspire further exploration and dialogue and serve as a source of inspiration for those who seek to understand the intricate complexities of contemporary Indian literature from a post colonial perspective
