Reid Meloy,Jens

Hoffmann,2013-11-05 Threat assessment is a method used by mental health and law enforcement professionals to assess the risk of intended violence toward a specific target such as attacks and assassinations of public figures workplace homicides mass murders school shootings and acts of terrorism both domestic and foreign Beginning with studies by the U S Secret Service twenty years ago the research and interest in this field has accelerated over the past decade with published scholarship and emerging professional organizations International Handbook of Threat Assessment offers a definition of the

foundations of threat assessment systematically explores its fields of practice and provides information and instruction on the best practices of threat assessment. The volume is divided into three sections. Section I defines the difference between threat assessment and traditional violence risk assessment and discusses threat assessment terminology and practice. Contemporary understanding of threats, warning behaviors concerning targeted violence, and the legal basis of threats and targeted violence interventions. Section II elaborates on the various domains of threat assessment such as workplace violence, public figure attacks, school and campus violence, insider threats, honor based violence, computer modeling of violent intent, targeted domestic violence, anonymous threats, and cyberthreats. Section III presents the functions of a number of threat assessment individuals and units including the UK Fixated Threat Assessment Centre, the LAPD Threat Management Unit, Australia's Problem Behaviour Program, and the U.S. Navy Criminal Investigative Service among others. This book will serve as the standard reference volume in the field of threat assessment and will be invaluable to mental health and criminal justice professionals who practice threat assessment or are interested in understanding this new field of research. The Wiley Handbook on What Works with Girls and Women in Conflict with the Law Shelley L. Brown, Loraine Gelsthorpe, 2022-03-14

The Wiley Handbook on What Works with Girls and Women in Conflict with the Law. The most practical discussion of the rehabilitation of girls and women in conflict with the law in the correctional arena. What Works with Girls and Women in Conflict with the Law is the leading examination of evidence based practice in the field of gender responsive corrections. Adopting an international and intersectional approach, the distinguished authors seek to collect the best available data and thinking on what works with girls and women and apply it to the real world problems facing correctional systems today. As part of its contextual and rich approach to the subject, What Works with girls and women in conflict with the law covers a broad variety of topics ranging from theories of female involvement in crime, security classification and risk assessment, evidence based treatment and supervision approaches, special populations such as Indigenous women, to legal policy developments in the field of gender responsive corrections. Perfect for students and practitioners in the field of psychology, criminology, social work, criminal justice, and corrections, this is the only reference of its kind to focus on the practical applications of the latest theory. 21st Century Criminology: A Reference Handbook J. Mitchell Miller, 2009-08-06 Criminology has experienced tremendous growth over the last few decades evident in part by the widespread popularity and increased enrollment in criminology and criminal justice departments at the undergraduate and graduate levels across the U S and internationally Evolutionary paradigmatic shift has accompanied this surge in definitional disciplinary and pragmatic terms Though long identified as a leading sociological specialty area criminology has emerged as a stand alone discipline in its own right one that continues to grow and is clearly here to stay Criminology today remains inherently theoretical but is also far more applied in focus and thus more connected to the academic and practitioner concerns of criminal justice and related professional service fields

Contemporary criminology is also increasingly interdisciplinary and thus features a broad variety of ideological orientations to and perspectives on the causes effects and responses to crime 21st Century Criminology A Reference Handbook provides straightforward and definitive overviews of 100 key topics comprising traditional criminology and its modern outgrowths The individual chapters have been designed to serve as a first look reference source for most criminological inquiries Both connected to the sociological origins of criminology i e theory and research methods and the justice systems response to crime and related social problems as well as coverage of major crime types this two volume set offers a comprehensive overview of the current state of criminology From student term papers and masters theses to researchers commencing literature reviews 21st Century Criminology is a ready source from which to quickly access authoritative knowledge on a range of key issues and topics central to contemporary criminology This two volume set in the SAGE 21st Century Reference Series is intended to provide undergraduate majors with an authoritative reference source that will serve their research needs with more detailed information than encyclopedia entries but not so much jargon detail or density as a journal article or research handbook chapter 100 entries or mini chapters highlight the most important topics issues questions and debates any student obtaining a degree in this field ought to have mastered for effectiveness in the 21st century Curricular driven chapters provide students with initial footholds on topics of interest in researching term papers in preparing for GREs in consulting to determine directions to take in pursuing a senior thesis graduate degree career etc Comprehensive in coverage major sections include The Discipline of Criminology Correlates of Crime Theories of Crime Justice Measurement Research Types of Crime and Crime the Justice System The contributor group is comprised of well known figures and emerging young scholars who provide authoritative overviews coupled with insightful discussion that will quickly familiarize researchers students and general readers alike with fundamental and detailed information for each topic Uniform chapter structure makes it easy for students to locate key information with most chapters following a format of Introduction Theory Methods Applications Comparison Future Directions Summary Bibliography Suggestions for Further Reading and Cross References Availability in print and electronic formats provides students with convenient easy access wherever they may be

Violence Assessment and Intervention James S. Cawood, Michael H. Corcoran, 2019-10-21 Violence Assessment and Intervention The Practitioner s Handbook now in its third edition provides a proven methodology grounded in the current empirical research and the authors experience in successfully assessing and managing thousands of cases in a variety of contexts and environments for analyzing concerning behaviors and potential threatening situations and taking action in these challenging dynamic environments before tragedy occurs Threat and violence assessment and management is an essential process in reducing violence and its consequences The ongoing challenge for those assessors particularly in common workplace environments e g educational settings public agency settings and business settings is applying the applicable behavioral science research in a practical and effective manner to maximize safety The book begins by demonstrating the

threat and violence assessment process from the point of the initial call and proceeds through the steps that quantify the situation and determine the appropriate response The next section covers information gathering victimology and formulas and tools for risk assessment Finally the book explores organizational influences school violence ethics security and consultation issues the formation and running of threat management teams and relevant laws related to violence assessment This book is a valuable reference for human resource professionals security professionals mental health practitioners law enforcement personnel and lawyers who are members of threat assessment teams provide threat and violence assessment and management consultations as well as expert witnesses in cases involving workplace violence school violence security negligence or wrongful termination or disputed school disciplinary actions related to aggressive threatening or violent behavior

Risk Assessment for Domestically Violent Men N. Zoe Hilton, Grant T. Harris, Marnie Rice, 2010 From a domestic violence victims first call to police or visit to a womens shelter through the offenders bail sentencing parole and treatment program criminal justice officers and clinicians must make informed decisions about which cases need the most attention as well as ensure targeted provisions are in place to prevent recurrences of violence Authors Hilton Harris and Rice make a powerful case for using actuarial risk assessments to predict recidivism in male domestic violence offenders These assessments the Ontario Domestic Assault Risk Assessment ODARA and the Domestic Violence Risk Appraisal Guide DVRAG are the first in the field The ODARA DVRAG system helps criminal justice officials and clinicians decide which offenders pose the greatest risk to therefore preclude the most dangerous cases from falling through the cracks Notably the authors assert that systematically implementing these tools into public policy will reduce the number of violent assaults on women by their partners The book draws on the authors in depth empirical studies of violent men and their extensive experience with recidivism risk assessment in policing court cases offender assessment and victim services It is also a users manual replete with all the scoring reporting and interpreting details needed to effectively use the ODARA DVRAG system The inclusion of case examples FAQs scoring tools and forms and sample assessment reports makes this an excellent resource for any professional working directly with domestic violence offenders or training criminal justice officers to conduct these risk assessments
