Ghaly MD, 2020-08-25 Towards the end of 2019 I started to feel that the Lord our God had had enough of the stubborn and stiff-necked people as their wickedness rebellion and disobedience continued against him and his son These actions were a resemblance of the days of Noah Sodom Gomorrah and Nineveh I felt that Jesus the son of God no longer had a home here on Earth There was no place for him in homes playgrounds workplaces and sadly no home in the churches that worshipped his holy name I witnessed the wrath of God against Satan beginning with the apocalyptic fires in Australia that killed millions of animals and destroyed the beautiful land I began to warn the world through my posts starting on January 5 2020 I knew his wrath would continue this time by way of an apocalyptic pandemic that would kill thousands of people I began to dream about the looming crisis and started to share with the world through my social media I decided to write my first post on January 30 2020 relating to the pandemic calling for a worldwide chain of prayer I knew the Coronavirus pandemic could not be treated and that many casualties could be expected I could feel that God was angry while Satan was elated at the state of

our world Following my posts in January of 2020 the Coronavirus COVID 19 pandemic began evolving I continued to cry out to the world but was attacked mocked and threatened as people accused me of spreading rumors I was told to stop as people said This virus is nothing It s just another flu Others said You re supposed to be a scientist and should know that the seasonal flu takes the lives of thousands every year This Coronavirus is no threat I wished that they all would see what I see and hear what I hear but few did I decided to record all of my thoughts dreams nightmares prayers reflections and predictions about this dangerous and lethal pandemic that the world was trying to dismiss This book consists of 73 chapters across under ten sections contain all of my posts in the order that they were written as well as my notes regarding what I have seen beginning in January 2020 until now including my thoughts on the post pandemic era Some of my predictions have already occurred while others have yet to be seen I believe that the message we should receive from all of this is that the world must look to our God the almighty and his son Jesus our Savior The son shall return and God will lift his wrath as we all go through our journey of repentance here on earth for our salvation lies with the blood of Jesus Only recently I have started to receive calls in which the people that doubted me have apologized that they did not listen sooner They have seen that I knew what was coming and tried to warn them While the Coronavirus pandemic continues I pray that the Lord will have mercy upon our people and upon the face of the earth

Happy Easter Introduction

In the digital age, access to information has become easier than ever before. The ability to download Happy Easter has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Happy Easter has opened up a world of possibilities. Downloading Happy Easter provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Happy Easter has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Happy Easter. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Happy Easter. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Happy Easter, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Happy Easter has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
