Silicon Valley freeway when he was suddenly hurled to the side of the car by a mysterious force Seconds later a bullet crashed through the windshield and buried itself in the back of the passenger's seat Highway patrolmen told him that if he hadn't moved he would have been killed instantly Shaken and curious he began to compare notes with other journalists many of whom were war zone survivors Most had had some kind of comparable experience of being snatched from death by an unseen hand Pierre began to interview authorities on near death experience Melvin Morse Kenneth Ring and Elisabeth Kubler Ross He collected first hand accounts of the appearance of spiritual beings from adults and children all over the world Voraciously he began to read about the lives and Angelic accounts of the saints The book is the sum of his investigations and includes eyewitness accounts of the experiences of pilots doctors and journalists interviews with leading near death researchers and scientists interviews with modern saints and visionaries on their mystical experiences from the Middle Ages to the present

The Hay and the Barn David Craig, 2024-02-28 The Hay and the Barn is a joyful profound poetic meditation based on the penultimate year of Gabrielle Bossis's devotional classic *He and I* One might even call it a conversation Jesus reveals Himself in both her entries and in the poems which come out of them This should not surprise us as He does so in every

moment of our lives In this book we see Bossis move toward her last passage and we are privileged to see Our Lord lovingly lay the groundwork for their ecstatic meeting We get to witness His great tenderness What we see is a kind of tender memento mori

KINGDOMS OF DESIRE George Zamalea, 2025-10-17 When Gysbert van Laan was five he lost her mother in a mysterious way and when he was seven his only custodian Laura Charlesbourg a landowner and with the promises to see him again left to England as an unwanted married woman and when he was eight he was sold him as a slave Five months after the sale with the help of a Dutch African father an elite set out to rescue him from a brutal Virginian plantation owner and the African land made him home in time to understand who he is and a history of exploration and self esteem has begun It s the year 1806 van Laan s father is among the wealthy elite who can afford to give to his only biological son a sort of paramount superiority to meet in person George III the King of Great Britain and Ireland a paralleled audience by confirming himself as equal at birth So this new Gysbert van Laan has the same power as equal to the title of Magnus Dux The same privilege to ride side by side with Napoleon Bonaparte of France and to sit at the table of alliances That same perfect stage makes him as charm as devious to find who had plotted the death of his mother the power hungry and pain behind Laura s destiny and what happens really to the land of Charlesbourg before and after her marriage with ambitious British born Martin Longfellow and most importantly the fraudulent manipulation of his father Leading a selective group around the world who will die for him and who will do everything he asks them to do Magnus Dux de Laan in mind uploading plans and punishes even has all the same memories as a military soldier like his grandfather has no mercy as when it comes to justice He also might have brought down his father s brother the most hater in the list Or at least that s what the gold digging controller and the artful protestors want everyone to think that a young man like van Laan is an unprepared unpredictable radical who won t be capable of discovering the truth Gysbert van Laan is used to hearing all that though He s used to standing up for his mind too and he s determined to do it now even if proving Laura s innocence means taking on those protestors and anyone else who has attacked his family But when his own life is threatened not by protestors but by the very Mother s shadow who created his psychotic way of quest Gysbert van Laan starts questioning everything he thought he knew about the true nature of his existence About himself About his father And the answers he finds reveal a more sinister purpose for his mother s and father s death and her own destiny than he ever could have imagined With Love George Zamalea California USA
