Business Insurance Dearborn, Dearborn Financial Institute, 1991-05 **Health Care Financing Review**, 1995

The Quality Solution David B. Nash, Neil I. Goldfarb, 2006 Poor healthcare quality is a public health emergency. Landmark reports by the Institute of Medicine and other leading groups exposed the continuing inadequacies that plague the United States healthcare system. Despite the red flags that these reports raised, there has been only marginal improvement in healthcare quality. Therefore, improving the quality of health care should be one of our highest public health priorities. The Institute of Medicine called the substantial gulf between the vision of ideal care and the reality of what most individuals receive a quality chasm. **The Quality Solution** **Managed Care Answer Book** Sheryl Tatar Dacso, Clifford C. Dacso, 2000. This is an indispensable reference for all professionals involved in the design, implementation, financing, or operation of a managed care program. Written in the classic answer book format, you will find extensive sections providing basic understanding of managed care cost containment strategies and advice on organization and implementation of programs. The topic is covered from the ground up with crucial questions and authoritative up-to-date answers on every facet of managed care, including such valuable features as contract negotiation strategies and dispute resolution techniques. Maximizing utilization, review and outcomes assessment, techniques for managed care implementation and administration, plus payer and provider contracting advice on legal and regulatory considerations. Important issues covered from both purchaser's and provider's perspectives and discussion on information technology and telemedicine. *The Pennsylvania State Health Plan*, 1983 *Dreeben-Irimia's Introduction to Physical Therapy Practice with Navigate Advantage Access* Mark Dutton, 2024-10-04.
