

The background of the book cover is a close-up photograph of a natural scene. It shows a stream or waterfall with water cascading over dark, wet rocks. The rocks are heavily covered with vibrant green moss. In the foreground on the right, there is a cluster of thin, brown, needle-like plants, possibly a type of moss or lichen, which are slightly out of focus compared to the water and rocks. The overall lighting is soft and natural, highlighting the textures of the water, rocks, and vegetation.
