A Bright Clean Mind Camille DeAngelis,2019-10-15 Discover how your diet may affect your creativity how going vegan

is like giving yourself brain food and how to incorporate veganism into your life When author and certified vegan lifestyle coach Camille DeAngelis is asked how she feels satisfied on a vegan diet she thinks of the moment in James and the Giant Peach when the Grasshopper and the Centipede fret that they have nothing to eat until James points out that they're traveling inside an enormous piece of fruit There is plenty Camille reminds us in this self-help motivational book for artists and creatives Everything we could ever want to eat and more is all around us Because we live in a culture in which the eating and wearing of animals is taken for granted we rarely recognize our limiting meat-centric mindset But if we can employ our imagination to create worlds from scratch we can surely use it to envision a new way of seeing ourselves in relation to the animals we eat On the other side of this brain transformation is a lifestyle that is ideal for our own health and emotional well-being and is much more environmentally sustainable Camille believes that creative hobbies and habits reinvigorate one's primary work But she knits, sews, embroiders, and bakes for the pleasure of it too Her productivity and brain power have been remarkable since going vegan seven years ago and even more importantly she no longer feels any of the frustration or uncertainty artists tend to accept as part of the creative process If you're a creative suffering from brain fog A Bright Clear Mind can help Praise for A Bright Clear Mind If you are a maker or an artist who feels anxious, depressed, or just plain not feeling up to par I urge you to read this book In the pages you will discover how to wake up your life force by embracing a more connected way of living and eating Elise Marie Collins author of Super Ager You Can Look Younger Have More Energy A Better Memory and Live a Long and Healthy Life DeAngelis roundly disproves the theory that plant eaters are somber moralists Getting to peer into the lives and creative processes of these vegan visionaries makes me want to write and dance and organize my cupboards and make a tofu frittata Victoria Moran author of Creating a Charmed Life and Main Street Vegan

Explorations in Critical Studies of Advertising James F. Hamilton, Robert Bodle, Ezequiel Korin, 2016-10-26 This volume provides a thoughtful and wide-ranging exploration of approaches to the critical study of advertising Current and impending practices of advertising have in many ways exceeded the grasp of traditional modes of critique due at least in part to their being formulated in very different historical conditions To begin to address this lag this edited collection explores through critical discussion and application a variety of critical approaches to advertising Authors address a variety of concrete examples in their chapters drawing on existing research while presenting new findings where relevant In order to maintain the relevance of this collection past this particular historical moment however chapters do not simply report on empirical work but develop a theoretical argument

Advertising and Consumer Society Nicholas Holm, 2023-04-03 This critical introductory text explores the role of advertising in contemporary culture and its connections to larger economic, social, and political forces Written in an engaging and accessible style and incorporating a wide range of examples from around the world the chapters introduce the key concepts, methods, and debates needed to analyse and understand advertising From an investigation of advertising's crucial function in media economics and our wider capitalist system to a

consideration of the people who both make and watch advertising this insightful text enables students to make sense of advertising's powerful influence as both an economic force and an artistic form assess the various claims of these two perspectives on advertising and understand how they challenge and complicate one another This revised second edition includes a new chapter on branding and promotional culture and substantially updated content on topics like digital and online advertising surveillance and empowerment as well as brand new topics like self branding influencers and using technology to evade advertising Equipping students with the skills needed to partake in this lively discourse the text is an invaluable resource for studying advertising critically It is essential reading for students of advertising media studies and communication studies

Brands and Branding Stephen Brown, 2016-08-17 A fun and humorous introductory book written in Stephen Brown's entertaining and highly distinctive style that introduces curious readers to the key components of brands and helps them to begin to make sense of them what they are what they do why and how using plenty of examples and references drawn from a wide range of brands such as Amazon Apple Google Gucci Nike Nintendo Starbucks Swatch and The Worst Hotel in the World With 3 000 branding books published each year why would you or your students want to read Brands Branding Here are seven reasons why It's introductory aimed at undergraduate students or postgrads without a bachelor degree in business and assumes nothing more than readers awareness of high profile brands such as Coca Cola Microsoft and Chanel It's indicative focusing on the basics and thus being a more reliable revision aid than Lucozade It's immersive taking readers on a journey and working on the assumption that they have smartphones or tablet computers to hand the print text links to images articles and academic publications to give emphasis and context where appropriate It's inclusive considering articles and reports but also blogs novels newspapers reviews social media and other sources It's irreverent branding is not always a deadly serious business It's intimate Stephen speaks to you directly and together you will pick your way through the sometimes weird and unfailingly wonderful world of brands and branding using examples rather than abstract ideas to illustrate points It's inspirational celebrating the curious and successful stories of brands from Cillit Bang to Cacharel Suitable for first and second year marketing or advertising students and for those new to or interested in branding and who are keen to know more

Michael Freeman On... Composition Michael Freeman, 2022-03-17 Composition is the single most powerful tool in a photographer's armoury Unconstrained by any outside influence it can be a pure expression of individuality and this is what makes it so important Freeman details both why and how composition works from perception to visual imagination including many practical compositional templates varying from the Walk in to the Frame Break to the Fibonacci Point ready to be applied to a range of camera situations All new content from the master of photography guides Concise and easy to follow format clearly explains the vital ingredients of composition Real life examples of composition in practice ably demonstrate the key elements Unique visuals and illustrations cut through the jargon and make the subject simple

Worth-Focused Design, Book 1 Gilbert Cockton, 2022-05-31 Design now has many meanings

For some it is the creation of value For others it is the conception and creation of artefacts For still others it is fitting things to people These differences reflect disciplinary values that both overlap and diverge All involve artefacts we always design things Each definition considers people and purpose in some way Each handles evaluation differently measuring against aesthetics craft standards specifications sales usage experiences or usage outcomes There are both merits and risks in these differences without an appropriate balance Poor balance can result from professions claiming the centre of design for their discipline marginalising others Process can also cause imbalance when allocating resources to scheduled stages Balance is promoted by replacing power centres with power sharing and divisive processes with integrative progressions A focus on worth guides design towards worthwhile experiences and outcomes that generously exceed expectations This book places a worth focus Wo Fo in the context of design progressions that are Balanced Integrated and Generous BIG BIG and Wo Fo are symbiotic Worth provides a focus for generosity Effective Wo Fo needs BIG practices

Tourism and the Creative Industries Philip Long, Nigel D. Morpeth, 2016-05-20 This book focuses on the theoretical policy and practice linkages and disjunctures between tourism and the creative industries There are clear and strong intersections between the sectors for example in the development and application of new and emerging media in tourism festivals and cultural events showcasing the creative identity of place tours and place identities associated with film TV music and arts tourism as well as particular destinations being promoted on the basis of their creative endowments such as theatre breaks art exhibitions and fashion shows Tourism and the Creative Industries explores a variety of relationships in one volume and offers innovative and critical insights into how creative industries and tourism together contribute to place identity tourist experience destination marketing and management The book is aligned with the sectors that have been demarcated by the UK Government Department of Culture Media and Sport as comprising the creative industries advertising and marketing architecture design and designer fashion film TV video radio and photography IT software and computer services publishing and music performing and visual arts The title of this volume demonstrates how the exclusion of tourism from the creative industries is arguably perverse given that much of the work by destination managers and of private sector tourism is characterised by creativity and innovation Interdisciplinary research and international context bring a broader perspective on how the creative industries operate in varying cultural and policy contexts in relation to tourism This book brings together the parallel and disparate inter disciplinary fields of tourism and the creative industries and will be of interest to students academics and researchers interested in tourism creative industries marketing and management

Make to Know Lorne M. Buchman, 2022-04-27 Make to Know From Spaces of Uncertainty to Creative Discovery will change the way you think about creativity The book upends popular notions of innate artistic and visionary genius and probes instead the event of discovery that happens through the act of making In contrast to the classic tale of Michelangelo who saw the angel in the stone the artists and designers Buchman interviews for this book talk about knowing their work as they engage in the doing

Make to Know explores the revelatory nature of the creative journey itself As Buchman weaves together the vivid stories of his multiple conversations we learn about writers of all stripes as they confront creative spaces of uncertainty the blank page about visual artists and what they understand from the materials they encounter about designers and architects and the iterative process of solving problems and about actors and musicians facing the surprises of improvisational performance Make to Know is a book that will ultimately open a path to your own making and in the end will have significant implications for how you live Make to Know presents a way of thinking that democratizes creativity and uncovers a process that leads to knowing both ones work and oneself It is relevant to anyone interested in why creativity matters Applied Degree Education and the Shape of Things to Come Christina Hong, Will W.
