Hercule Poirot The Complete Short Stories A Hercule Poirot Collection With Foreword By Charles Todd Hercule Poirot Mysteries:

Hercule Poirot: The Complete Short Stories Agatha Christie, 2013-09-10 At last a single volume that gathers together all of the short stories featuring Agatha Christie's most famous creation Hercule Poirot The dapper mustache twirling little Belgian with the egg shaped head and curious mannerisms has solved some of the most puzzling crimes of the century and in his own humble opinion is probably the greatest detective in the world In this complete collection of more than 50 stories ranging from short tales to novellas Poirot faces violent murders poisonings kidnappings and thefts all solved with his characteristic panache Only Agatha Christie could have devised cases worthy of Hercule Poirot's skill and little gray cells

The Mysterious Affair at Styles the First Hercule Poirot Novel Agatha Christie, 2012-11-25 The intense interest aroused in the public by what was known at the time as The Styles Case has now somewhat subsided Nevertheless in view of the world wide notoriety which attended it I have been asked both by my friend Poirot and the family themselves to write an account of the whole story This we trust will effectually silence the sensational rumours which still persist I will therefore briefly set down the circumstances which led to my being connected with the affair I had been invalided home from the Front and after spending some months in a rather depressing Convalescent Home was given a month's sick leave Having no near relations or friends I was trying to make up my mind what to do when I ran across John Cavendish I had seen very little of him for some years Indeed I had never known him particularly well He was a good fifteen years my senior for one thing though he hardly looked his forty five years As a boy though I had often stayed at Styles his mother's place in Essex

The Complete Short Stories of Marcel Proust, 2003-06-18 One of the great literary figures of the modern age French novelist Marcel Proust 1871-1922 probes the precarious mental and erotic nuances of love the frail mysteries of time passing and time past in highly original surprising tales Includes a new translation of the complete text of Pleasures and Days Proust's only short story collection and six tales previously uncollected and never before available in English

Hercule Poirot's Christmas Gilbert Murray, **Death on the Nile**, 2020 **Evil Under the Sun**, 2020 **The Mystery of the Yellow Room** Gaston Leroux, 2018-04-23 Even if Hercule Poirot had been born a Frenchman not a Belgian he would have to take second place in detection to Joseph Rouletabille the brilliant young sleuth created by Gaston Leroux Here in his first and most baffling case the eighteen year old reporter astounds readers with his audacity and ingenuity Who could have tried to murder Mademoiselle Stangerson beautiful daughter of a famous radium scientist And how could they have entered and escaped from a completely locked and watched room With the Surete's top sleuth vying against him Rouletabille is determined to prove only he can solve the case This classic work of French detective fiction was much admired by Agatha Christie As a connoisseur of the detective story she said this was one of the best Others would praise it even more highly than that We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection

Peril at End House Didier Quella-Guyot, Thierry Jollet, Agatha Christie, 2010 The world's cleverest crime author is brought to book in this new series of graphic adaptations of some of her most famous crimes Can Hercule Poirot unravel the peril at End House Hercule Poirot's holiday on the Cornish coast is rudely interrupted when he runs into a real life damsel in distress Young Nick Buckley owner of the eerie and imposing End House has already survived three attempts on her life and even now is being shot at by an unseen gunman Deciding to protect her Poirot finds himself trying to solve a murder that hasn't happened yet *Peril at End House* is set in the fictional seaside town of St Loo which was based on Agatha Christie's childhood home of Torquay in Devon This new adaptation perfectly captures the menace and excitement of the original story

Poirot Investigates Agatha Christie, 2014-03-10 Illustrated version Large Print Captain Hastings Poirot's friend notices a woman on the street when looking through the window of Poirot's room Poirot identifies her to be Miss Mary Marvell a famous American film star He suspects she is on the way to see him Soon his predictions are confirmed and the door bell rings Mary Marvell brings threatening letters she received in relation to the diamond in her possession called the Western Star This the first of the adventures of Hercule Poirot a Belgian detective who investigates crimes and unravels mysteries that pose danger to his clients Along with him the Scotland Yard is also chasing these villains always coming second Each crime involves high society circles including political figures Although less able Captain Hastings provides assistance that can be vital even when his conclusions seem to go astray His input in the form of observation or remark can spark a new perspective and Poirot appreciates it Captain Hastings follows all the cases not realizing that Poirot knows more than he reveals only to find out that all his actions were methodically planned and executed At the end of each adventure Poirot explains how he arrived at his conclusions
