Heroics Paul Freeman :

Heroics ,2011 Photographer Paul Freeman takes a sometimes tongue in cheek look at the way European men have adorned and mythologized themselves and their physical courage over the centuries and refers for inspiration to monumental art and paintings that were the work of artists who tended to depict a fantasy of sensuality rather than the brutal masculinity of reality This sumptuous collection of gorgeous male art nude photographs is printed on large format art stock paper another masterful tome by the inimitable Freeman following closely on the heels of his bestselling Bondi and Outback series of books *Heroics II* Paul Freeman,2013-06-01 A collection of fine art nude photographic portraits of men captured in the classical tradition of the heroic and mythical in the grandiose and dramatic poses of the post renaissance tradition shot in both contemporary post modernist and neo classic or painterly environments with over 180 photographs in both colour and warm toned black and white This collection complements and evolves the theme developed in the first *Heroics* book published in 2011 and has been influenced by and references the male in sculpture and painting in Western European art from the Renaissance onwards The book plays with contemporary societal attitudes to the naked male in public and art by juxtaposing our collective artistic consciousness and heritage with the reality of the contemporary naked male physique

Allied Special Air Operations In Yugoslavia During World War II Major Paul J. Freeman,2014-08-15 This research paper examines how special operations were conducted in Yugoslavia during WWII how did the operational art conducted fit into Allied grand strategy and how effective were these operations These operations were conducted using multinational coalition forces and for this reason the lessons from this examination are relevant to warriors today Conducting military operations almost always involve a scarcity of forces This scarcity forces difficult decisions in development of strategic goals and conduct of operations This difficulty is further compounded when coalition forces involve multiple nations each with their own priorities This is the situation that existed in WWII The US wanted a concentrated invasion of NW Europe while Britain and Russia were interested in a multi front battle of attrition against the Axis featuring a Balkan invasion There were inadequate forces to commit to an invasion of the Balkans but there was an opportunity to divert Axis strength from other fronts This paper will look at Allied operations in Yugoslavia typical Balkan operations and analyze 1 the unique contextual factors influencing special operations in the Balkans during WWII 2 operational art factors of this unconventional employment of airpower in the politically divided region and 3 the success and or failure of military planners and commanders in deriving military from strategic objectives and in attaining these objectives The analysis and conclusions will examine the logic and congruence of these operations to the respective strategy and will highlight contextual influences aircraft and equipment capabilities weather logistics on the success of these operations to meet the strategic objective
