[Why Men Won't Commit](#) George Weinberg, 2003-02-13 Dr George Weinberg has been a therapist for over twenty five years In that time he has worked with a great range of men and he has discovered that deep down men actually want commitment love and permanence every bit as much as women do Over the years his patients even those who have had a string of failed relationships have expressed deep desires for permanent monogamous marriages So why do they behave as if they don't And what can a woman who wants a relationship do to help her man commit While other therapists tend to be students of women Dr Weinberg is a student of men From childhood most men have been taught to be strong and silent never to show weakness They've been discouraged from talking about their feelings so they never learned the skill Now most are on a quest for the ready made perfect woman They feel that in relationships things can't be worked out When the slightest thing goes wrong it seems easier to bolt than to talk In engaging prose filled with anecdotes we all can relate to Dr Weinberg unveils the psyche of men to show the real insecurities that lurk there Other books like The Rules and Men Are from Mars Women Are from

Venus have played right into men's fears by accepting the old myth and telling women that their job is to overcome men's fear of commitment. As Dr Weinberg explains this is exactly the wrong thing to do. Men have a powerful radar that tells them to run away when any strategy is being used on them. He explains why games of any kind playing hard to get making a man jealous will only push a man further from commitment. And he gives women four simple keys to understanding their man's real needs and helping them move toward relationships. It is easy to scare a man but it is also easy to capture his love without playing games. Why Men Won't Commit shows women how to enter places where her man has not allowed any other woman to go and if it's right to stay there in a loving committed relationship.

After a woman has passed a man's physical appearance test he will gauge her level of chemistry with him the way she makes him feel.
