Cold Counsel Chris Sharp,2017-02-21 In Chris Sharp s new epic fantasy Cold Counsel Slud of the Blood Claw Clan Bringer of Troubles was born at the heart of the worst storm the mountain had ever seen Slud s father chief of the clan was changed by his son s presence For the first time since the age of the giants he rallied the remaining trolls under one banner and marched to war taking back the mountain from the goblin clans However the long lived elves remembered the brutal wars of the last age and did not welcome the return of these lesser giants to martial power Twenty thousand elves marched on the mountain intent on genocide They eradicated the entire troll species save two Aunt Agnes an old witch from the Iron Wood carried Slud away before the elves could find them Their existence remained hidden for decades and in that time Agnes molded Slud to become her instrument of revenge For cold is the counsel of women **Festivals and Edutainment**

Giulia Rossetti,Brianna Wyatt,Jane Ali-Knight,2023-09-29 As the first collection of studies to explore the use of edutainment within festival experiences this book extends current knowledge and understanding of festival experiences Relying on a series of international case studies this book offers readers unique and important insights that emphasise the benefit of edutainment activities for enhanced audience learning engagement and festival satisfaction Although there is an ample amount of studies concerning festival experiences as well as the use of edutainment within tourism few have explored the use of edutainment within festival experiences This oversight has created a lack in knowledge and understanding despite the clear benefits of enjoyable learning experiences edutainment Moreover it has created a gap between academia and practice as the contributing authors have demonstrated festivals are utilising edutainment to enhance their audience experience yet

scholars have failed to acknowledge this In response to this oversight the editors have assembled a carefully curated collection of chapters that include a wide range of international case studies from science and food festivals to heritage and dark festivals Through a variety of methodologies and methods including interviews observations databases netnography and social media analysis in both face to face and digital interactions involving the festival participants organisers and other relevant stakeholders the contributing authors have provided a well rounded global perspective on how edutainment is applied within festival experiences This book is valuable for scholars festival organisers policy makers and students interested in or studying festivals events edutainment and or experience design Other tourism industry scholars professionals and students of for example visitor attractions museums theatre and hospitality services may also find this book of value considering their established use of edutainment within their sectors
