

Algebraic Topology Homework

John Hatcher's "Algebraic Topology"

Part A

1. The second homology of $\mathbb{R}P^2$ is a quotient of a certain quotient of $\mathbb{Z}$. Compute $H_2(\mathbb{R}P^2)$ by finding all the subgroups of $\mathbb{Z}$. $H_2(\mathbb{R}P^2)$ is a quotient of $\mathbb{Z}$ by a subgroup of $\mathbb{Z}$.

$$\begin{array}{ccc} \mathbb{Z} & \xrightarrow{\quad \partial_2 \quad} & \mathbb{Z} \\ \downarrow & & \downarrow \\ \mathbb{Z} & \xrightarrow{\quad \partial_1 \quad} & \mathbb{Z} \end{array}$$

Use this exact sequence to compute $H_2(\mathbb{R}P^2)$ and $H_1(\mathbb{R}P^2)$. (You may assume that $H_0(\mathbb{R}P^2) \cong \mathbb{Z}$.)

2. The second homology of $\mathbb{R}P^2$ is a quotient of a certain quotient of $\mathbb{Z}$. Compute $H_2(\mathbb{R}P^2)$ by finding all the subgroups of $\mathbb{Z}$. $H_2(\mathbb{R}P^2)$ is a quotient of $\mathbb{Z}$ by a subgroup of $\mathbb{Z}$.

$$\begin{array}{ccc} \mathbb{Z} & \xrightarrow{\quad \partial_2 \quad} & \mathbb{Z} \\ \downarrow & & \downarrow \\ \mathbb{Z} & \xrightarrow{\quad \partial_1 \quad} & \mathbb{Z} \end{array}$$

Use this exact sequence to compute $H_2(\mathbb{R}P^2)$ and $H_1(\mathbb{R}P^2)$.

3. Show that the homomorphism ∂_2 from $H_2(\mathbb{R}P^2)$ to $H_1(\mathbb{R}P^2)$ is an isomorphism.

$$\partial_2: H_2(\mathbb{R}P^2) \rightarrow H_1(\mathbb{R}P^2)$$

isomorphism (homomorphism) isomorphism (homomorphism)

4. Compute $H_2(\mathbb{R}P^2)$ and $H_1(\mathbb{R}P^2)$ by finding all the subgroups of $\mathbb{Z}$. $H_2(\mathbb{R}P^2)$ is a quotient of $\mathbb{Z}$ by a subgroup of $\mathbb{Z}$.

$$\begin{array}{ccc} \mathbb{Z} & \xrightarrow{\quad \partial_2 \quad} & \mathbb{Z} \\ \downarrow & & \downarrow \\ \mathbb{Z} & \xrightarrow{\quad \partial_1 \quad} & \mathbb{Z} \end{array}$$

is a quotient of $\mathbb{Z}$. Show that the homomorphism ∂_2 from $H_2(\mathbb{R}P^2)$ to $H_1(\mathbb{R}P^2)$ is an isomorphism. Then use $H_1(\mathbb{R}P^2) \cong \mathbb{Z}$ to compute $H_2(\mathbb{R}P^2)$.

$$\partial_2: H_2(\mathbb{R}P^2) \rightarrow H_1(\mathbb{R}P^2)$$

isomorphism (homomorphism) isomorphism (homomorphism)

$$\partial_2: H_2(\mathbb{R}P^2) \rightarrow H_1(\mathbb{R}P^2)$$

isomorphism (homomorphism) isomorphism (homomorphism)

$$\partial_2: H_2(\mathbb{R}P^2) \rightarrow H_1(\mathbb{R}P^2)$$

isomorphism (homomorphism) isomorphism (homomorphism)

5. Use the exact sequence $\cdots \rightarrow H_2(\mathbb{R}P^2) \xrightarrow{\partial_2} H_1(\mathbb{R}P^2) \xrightarrow{\partial_1} H_0(\mathbb{R}P^2) \rightarrow 0$ to compute $H_2(\mathbb{R}P^2)$ and $H_1(\mathbb{R}P^2)$.

$$\partial_2: H_2(\mathbb{R}P^2) \rightarrow H_1(\mathbb{R}P^2) \rightarrow H_0(\mathbb{R}P^2) \rightarrow 0$$

isomorphism (homomorphism) isomorphism (homomorphism) isomorphism (homomorphism) isomorphism (homomorphism)

isomorphism (homomorphism) isomorphism (homomorphism) isomorphism (homomorphism) isomorphism (homomorphism)

isomorphism (homomorphism) isomorphism (homomorphism) isomorphism (homomorphism) isomorphism (homomorphism)

isomorphism (homomorphism) isomorphism (homomorphism) isomorphism (homomorphism) isomorphism (homomorphism)

Algebraic Topology Homework 4 Solutions Boun

George A. Duckett

Algebraic Topology Homework 4 Solutions Boun:

Scientific and Technical Aerospace Reports, 1976 Science Citation Index, 1992 Vols for 1964 have guides and journal lists

Algebraic Topology George A. Duckett, 2016-05-18 If you have a question about Algebraic Topology this is the book with the answers Algebraic Topology Questions and Answers takes some of the best questions and answers asked on the mathoverflow stackexchange com website You can use this book to look up commonly asked questions browse questions on a particular topic compare answers to common topics check out the original source and much more This book has been designed to be very easy to use with many internal references set up that makes browsing in many different ways possible Topics covered include Homotopy Theory Geometric Topology Algebraic Geometry Reference Request Differential Geometry Stable Homotopy Category Theory General Topology Cohomology K Theory Homology Homology Differential Topology Vector Bundles Group Theory Homological Algebra Characteristic Classes Simplicial Stuff and many more *Algebraic Topology: A Structural Introduction* Marco Grandis, 2021-12-24 Algebraic Topology is a system and strategy of partial translations aiming to reduce difficult topological problems to algebraic facts that can be more easily solved The main subject of this book is singular homology the simplest of these translations Studying this theory and its applications we also investigate its underlying structural layout the topics of Homological Algebra Homotopy Theory and Category Theory which occur in its foundation This book is an introduction to a complex domain with references to its advanced parts and ramifications It is written with a moderate amount of prerequisites basic general topology and little else and a moderate progression starting from a very elementary beginning A consistent part of the exposition is organised in the form of exercises with suitable hints and solutions It can be used as a textbook for a semester course or self study and a guidebook for further study Algebraic Topology: An Intuitive Approach Hajime Satō, 1999 Develops an introduction to algebraic topology mainly through simple examples built on cell complexes Topics covers include homeomorphisms topological spaces and cell complexes homotopy homology cohomology the universal coefficient theorem fiber bundles and vector bundles and spectral sequences Includes chapter summaries exercises and answers Includes an appendix of definitions in sets topology and groups Originally published in Japanese by Iwanami Shoten Publishers Tokyo 1996 Annotation copyrighted by Book News Inc Portland OR

Algebraic topology J. F. Adams, 1973 **Elements Of Algebraic Topology** James R. Munkres, 1996-01-01 Elements of Algebraic Topology provides the most concrete approach to the subject With coverage of homology and cohomology theory universal coefficient theorems Kunneth theorem duality in manifolds and applications to classical theorems of point set topology this book is perfect for communicating complex topics and the fun nature of algebraic topology for beginners

Lectures On Algebraic Topology Haynes R Miller, 2021-09-20 Algebraic Topology and basic homotopy theory form a fundamental building block for much of modern mathematics These lecture notes represent a culmination of many years of leading a two semester course in this subject at MIT The style is engaging and student friendly but precise Every lecture is

accompanied by exercises It begins slowly in order to gather up students with a variety of backgrounds but gains pace as the course progresses and by the end the student has a command of all the basic techniques of classical homotopy theory

Algebraic Topology Clark Bray, Adrian Butscher, Simon Rubinstein-Salzedo, 2021-06-18 Algebraic Topology is an introductory textbook based on a class for advanced high school students at the Stanford University Mathematics Camp SUMaC that the authors have taught for many years Each chapter or lecture corresponds to one day of class at SUMaC The book begins with the preliminaries needed for the formal definition of a surface Other topics covered in the book include the classification of surfaces group theory the fundamental group and homology This book assumes no background in abstract algebra or real analysis and the material from those subjects is presented as needed in the text This makes the book readable to undergraduates or high school students who do not have the background typically assumed in an algebraic topology book or class The book contains many examples and exercises allowing it to be used for both self study and for an introductory undergraduate topology course

Lectures on Algebraic Topology Sergei Vladimirovich Matveev, 2006 Algebraic topology is the study of the global properties of spaces by means of algebra It is an important branch of modern mathematics with a wide degree of applicability to other fields including geometric topology differential geometry functional analysis differential equations algebraic geometry number theory and theoretical physics This book provides an introduction to the basic concepts and methods of algebraic topology for the beginner It presents elements of both homology theory and homotopy theory and includes various applications The author's intention is to rely on the geometric approach by appealing to the reader's own intuition to help understanding The numerous illustrations in the text also serve this purpose Two features make the text different from the standard literature first special attention is given to providing explicit algorithms for calculating the homology groups and for manipulating the fundamental groups Second the book contains many exercises all of which are supplied with hints or solutions This makes the book suitable for both classroom use and for independent study

Algebraic Topology C. R. F. Maunder, 1970

Algebraic Topology and Related Topics Mahender Singh, Yongjin Song, Jie Wu, 2019-02-02 This book highlights the latest advances in algebraic topology from homotopy theory braid groups configuration spaces and toric topology to transformation groups and the adjoining area of knot theory It consists of well written original research papers and survey articles by subject experts most of which were presented at the 7th East Asian Conference on Algebraic Topology held at the Indian Institute of Science Education and Research IISER Mohali Punjab India from December 1 to 6 2017 Algebraic topology is a broad area of mathematics that has seen enormous developments over the past decade and as such this book is a valuable resource for graduate students and researchers working in the field

Algebraic Topology Colloquium on Algebraic Topology, 1962

Algebraic Topology, 1973

Elements of Algebraic Topology James R. Munkres, Steven G. Krantz, Harold R. Parks, 2025-05-27 This classic text appears here in a new edition for the first time in four decades The new edition with the aid of two new authors brings it up to date for a new

generation of mathematicians and mathematics students Elements of Algebraic Topology provides the most concrete approach to the subject With coverage of homology and cohomology theory universal coefficient theorems Kunneth theorem duality in manifolds and applications to classical theorems of point set topology this book is perfect for communicating complex topics and the fun nature of algebraic topology for beginners This second edition retains the essential features of the original book Most of the notation and terminology are the same There are some useful additions There is a new introduction to homotopy theory A new Index of Notation is included Many new exercises are added Algebraic topology is a cornerstone of modern mathematics Every working mathematician should have at least an acquaintance with the subject This book which is based largely on the theory of triangulations provides such an introduction It should be accessible to a broad cross section of the profession both students and senior mathematicians Students should have some familiarity with general topology

Algebraic Topology Allen Hatcher, 2002 In most mathematics departments at major universities one of the three or four basic first year graduate courses is in the subject of algebraic topology This introductory textbook in algebraic topology is suitable for use in a course or for self study featuring broad coverage of the subject and a readable exposition with many examples and exercises The four main chapters present the basic material of the subject fundamental group and covering spaces homology and cohomology higher homotopy groups and homotopy theory generally The author emphasizes the geometric aspects of the subject which helps students gain intuition A unique feature of the book is the inclusion of many optional topics which are not usually part of a first course due to time constraints and for which elementary expositions are sometimes hard to find Among these are Bockstein and transfer homomorphisms direct and inverse limits H spaces and Hopf algebras the Brown representability theorem the James reduced product the Dold Thom theorem and a full exposition of Steenrod squares and powers Researchers will also welcome this aspect of the book **Lectures on Algebraic Topology** Marvin J. Greenberg, 1971 Algebraic Topology Wolfgang Franz, 1968 Algebraic Topology , 1977-01-01 **Algebraic Topology** Edwin Henry Spanier, 195?

Whispering the Strategies of Language: An Mental Journey through **Algebraic Topology Homework 4 Solutions Boun**

In a digitally-driven world where screens reign supreme and instant transmission drowns out the subtleties of language, the profound secrets and mental nuances concealed within words frequently go unheard. Yet, located within the pages of **Algebraic Topology Homework 4 Solutions Boun** a charming fictional value blinking with organic feelings, lies an extraordinary quest waiting to be undertaken. Written by a skilled wordsmith, that wonderful opus encourages visitors on an introspective journey, delicately unraveling the veiled truths and profound affect resonating within ab muscles fabric of each word. Within the mental depths with this poignant review, we can embark upon a sincere exploration of the book is core themes, dissect their captivating publishing style, and succumb to the powerful resonance it evokes serious within the recesses of readers hearts.

Algebraic Topology Homework 4 Solutions Boun Introduction

In today's digital age, the availability of Algebraic Topology Homework 4 Solutions Boun books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Algebraic Topology Homework 4 Solutions Boun books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Algebraic Topology Homework 4 Solutions Boun books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Algebraic Topology Homework 4 Solutions Boun versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Algebraic Topology Homework 4 Solutions Boun books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Algebraic Topology Homework 4 Solutions Boun books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Algebraic Topology Homework 4 Solutions Boun books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Algebraic Topology Homework 4 Solutions Boun books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Algebraic Topology Homework 4 Solutions Boun books and manuals for download and embark on your journey of knowledge?

FAQs About Algebraic Topology Homework 4 Solutions Boun Books

1. Where can I buy Algebraic Topology Homework 4 Solutions Boun books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Algebraic Topology Homework 4 Solutions Boun book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Algebraic Topology Homework 4 Solutions Boun books? Storage: Keep them away from direct

sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Algebraic Topology Homework 4 Solutions Boun audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Algebraic Topology Homework 4 Solutions Boun books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
