The International Library of Essays on Capital Punishment, Volume 2 Peter Hodgkinson, 2016-12-05 The essays selected for this volume develop conventional abolition discourse and explore the conceptual framework through which abolition is understood and posited Of particular interest is the attention given to an integral but often forgotten element of the abolition debate alternatives to capital punishment The volume also provides an account of strategies employed by the abolition community which challenges tired methodologies and offers a level of transparency previously unseen This collection tackles complex but fundamental components of the capital punishment

debate using empirical data and expert observations and is essential reading for those wishing to comprehend the fundamental issues which underpin capital punishment discourse

Conservatives Have No Clothes Greg Anrig Jr.,2007-09-01 Why conservatism equals terrible government and always will Ending the conservative era requires organizing yes but also hard thinking and shrewd analysis When progressives of the future look back at how they triumphed one of the people they ll thank is Greg Anrig Drawing inspiration from the work of the early neoconservatives who demolished public support for liberal programs Anrig casts a sharp eye on conservative ideas and nostrums and shows that many of them simply don t work because they are rooted more in ideological dreams than in reality Facts are stubborn things Ronald Reagan once said and Anrig makes good use of them in this important and engaging book E J Dionne syndicated columnist and author of Why Americans Hate Politics Greg Anrig s wide ranging and perceptive book looks beyond the ideology of the right and offers a persuasive account of the many policy failures that have emerged out of the conservative movement Anrig has put the Bush administration and the right to a test that they themselves have carefully avoided He has held them accountable not for their ideas but for their performance Alan Brinkley Allan Nevins Professor of History Columbia University In this well researched and witty book Anrig critiques right wing ideas by examining what the policies and programs that embodied them have wrought over the last three decades While giving several conservative ideas their due he finds their record to be mixed at best John J DiIulio Jr political science professor and first director of the White House Office of Faith Based and Community Initiatives With fastidious research and unimpeachable facts Greg Anrig establishes the sound proposition that competent governance is incompatible with disbelief in government The odd combination of the religious right dictating personal morality neoconservatism preaching unilateral interventionism and radical libertarian tax cuts have cast our Republic adrift from its moorings Restoration of common sense to government is long overdue Gary Hart Former United States Senator **One Planet, Many People** Ashbindu
