American Betrayal:

American Betrayal Diana West,2013-05-28 Uncover the shocking truth about America s hidden history during World War II and the Cold War in Diana West s groundbreaking book *American Betrayal* In this real life thriller and national tragedy West digs deep to expose a body of lies that Americans have been led to regard as the near sacred history of World War II and its Cold War aftermath *American Betrayal* illuminates the massive Moscow directed penetration of America s most hallowed halls of power revealing not just the familiar struggle between Communism and the Free World but the hidden war between those wishing to conceal the truth and those trying to expose the increasingly official web of lies *American Betrayal* is America s lost history chronicling the battle between American icons like Franklin Delano Roosevelt Harry Truman and Dwight David Eisenhower who shielded overlapping Communist conspiracies and the investigators politicians and defectors including Senator Joseph McCarthy who tried to tell the American people the truth West argues that America s moral surrender to deception and self deception during this era sent us down the long road to moral relativism political correctness and other cultural ills that have left us unable to ask the hard questions *American Betrayal* shatters the approved histories of an era bringing down a new understanding of our past our present and how we have become a nation unable to know truth from lies

The Rebuttal Diana West,2013-10-02 Author Diana West and a host of others including authors M Stanton Evans and Vladimir Bukovsky defend her new book *American Betrayal* against a wave of calumnious charges and vicious personal attacks

Traitor David Rothkopf,2020-10-27 Rothkopf does a brilliant job defining precisely how Trump has been aiding and abetting the enemy compelling Financial Times Political historian and commentator David Rothkopf shows how Trump will be judged by history Spoiler alert not well in *Traitor* Donald Trump is unfit in almost every respect for the high office he holds But what distinguishes him from every other bad leader the U S has had is that he has repeatedly egregiously betrayed his country Regardless of how Senate Republicans have let him off the hook the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous He has clearly broken faith with the people of the country he was chosen to lead starting long before he took office then throughout his time in the White House And we may not yet have seen the last of his crimes But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history is the president of the United States the greatest threat this country faces in the world We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective After his examination of traitors including Benedict Arnold Aaron Burr and leaders of the Confederacy David Rothkopf concludes that Donald Trump and his many abettors have committed the highest level greatest most damaging betrayal in the history of the country
