Renshon,2017-12-02 America has always taken a coherent national identity for granted In recent decades that assumption has been challenged Individual and group rights have expanded eliciting acerbic debate about the legitimacy and limits of claims National political leaders have preferred to finesse rather engage these controversies At the same time large numbers of new immigrants have dramatically made the United States more racially ethnically and culturally diverse As a result this country faces critical political and cultural questions What does it mean to be an American What if anything binds our country and citizens together Is a new American identity developing and if so what is it Can political leaders help us answer these questions For the second time in the history of the United States another civil war looms The new danger lies in conflicts among people of different racial cultural and ethnic heritages and between those who view themselves as

culturally politically and economically disadvantaged versus those whom they see as privileged Unlike the first Civil War the antagonists cannot take refuge in their family or their religious social cultural or political organizations These are the precisely the places where the war is being fought At issue is whether it is possible or desirable to preserve the strengths of a common heritage Some quarters insist that our past has resulted in a culture only worth tearing down to build over rather than one worth keeping and building upon We are in conflict over the viability of American culture and identity itself This volume is organized into a series of intellectually grounded but provocative chapters on political leadership the 2000 presidential campaign Immigration affirmative action and other contemporary social and political issues Renshon uses the perspective of political psychology to help us to see old issues in new ways and new issues in different ways His critical questi

American Presidents Activity Book Joe Rhatigan, 2016-09 American Presidents Activity Book features inventive games quizzes puzzles and challenges all related to America's presidents

American History Word Researches: Richard Nixon Loren Krogstad, 2014-02-01 Sharpen students critical thinking and research skills with this word research Parents students and teachers will love this history based puzzle with corresponding research questions They're a great way to practice higher order thinking skills
