Before the Launch David Wogahn, Manon Wogahn, 2025-04-25 Prepare for the self publishing process so your book stays relevant and marketable for longer Before the Launch isn't a book It's a manual If you are looking for a book to curl up with be entertained by and read cover to cover in a couple of sittings Before the Launch isn't for you This manual has been compiled over the course of 14 years during which we've managed the publication of more than 400 books for our self publishing clients It contains detailed advice based on our experience in using KDP IngramSpark Bowker and numerous other self publishing tools and services and now we're sharing it with you Before the Launch is your guide to understanding the important decisions you need to make and things you need to do during the book preparation process that have an impact on marketing success once your book is released These decisions and steps are rarely considered book marketing yet marketing can and does suffer if these tasks are not done correctly or not done at all Why do we call Before the Launch a manual Self publishing is a multi step process executed over the course of weeks and months Before the Launch is designed for just in time learning Publishing a book is a multidisciplinary project requiring business legal marketing and research know how Each of the 58 topics has color coded cross references to related topics The publishing tasks that lead up to the release of a book overlap with each other Before the Launch includes our trademarked 14 track Countdown to Book Launch timeline that

illustrates these overlaps so you can stay on track during the lead up to your book's release. Like any good manual, our guidance is findable when you need it, and we've built in learning extensions. We've put as much care and thought into how the manual is organized as we have put into writing it. Our goal is to teach you what you need to know when you need to know it. The manual is organized into 5 sections: PREPARE, REGISTER, AMAZON REVIEW, and RELEASE. We've included 140 links to additional authoritative information for deeper learning or additional resources. Your purchase includes access to 3 orientation videos: a tour of KDP, a tour of IngramSpark, and how to view an Amazon book product detail page like a publisher. Because publishing timelines overlap, the 58 topics contain 283 color-coded cross-references to help you quickly locate related topics. We've even included downloadable Word, Excel, and PDF files to make it easier to perform the exercises recommended in the topics: comp research, metadata collection, running a price drop sale, and coordinating ARC printing with POD distribution via KDP and IngramSpark. Before the Launch is your self-publishing manual for the best launch possible. Comprehensive, accessible, and based on real-world experience, Before the Launch is a manual for self-publishers of fiction and nonfiction alike. It's so handy you'll want the eBook as well as the original 204-page spiral print edition. Get your copies today.

Lifestyle Medicine, Third Edition James M. Rippe, 2019-04-17. The field of lifestyle medicine, which is the study of how daily habits and actions impact on both short and long-term health and quality of life, continues to expand globally. The scientific and medical literature that supports the success of these lifestyle habits and actions is now overwhelming. Thousands of studies provide evidence that regular physical activity, maintenance of a healthy body weight, following sound nutritional practices, stress reduction, and other good practices all profoundly impact both health and quality of life. Following its predecessors, *Lifestyle Medicine, Third Edition* is edited by lifestyle medicine pioneer cardiologist Dr. James Rippe. This edition has been thoroughly updated and represents the expert opinions of 20 section editors as well as more than 150 expert chapter authors whose knowledge spans all aspects of this emerging discipline. Topics cover lifestyle medicine practices including regular physical activity, proper nutrition, and weight management. These principles are applied to the prevention and/or treatment of a wide variety of chronic conditions ranging from heart disease and diabetes to cancer, mental health, addiction, and injury prevention. This book serves as an evidence base for individuals who wish to practice lifestyle medicine or incorporate some of its principles into either general medicine or subspecialty practice. It provides valuable information to healthcare workers in the fields of nutrition, exercise physiology, psychology, behavioral medicine, health promotion, and public policy, where lifestyle medicine principles play an ever-increasing role.

Diagnostic Imaging in Polytrauma Patients Vittorio Miele, Margherita Trinci, 2017-11-06. This book provides comprehensive information on diagnostic imaging for polytrauma patients. It provides extensive and detailed explanations of the semiotics of traumatic injuries, the correlation with the trauma's mechanism of action, and the meaning and appearance of prognostic indicators. The book begins with a discussion of the management of polytrauma patients. Particular attention is given to the role of radiology in management, and each chapter

includes an assessment of the radiological findings to be used as a clinical decision making tool Several typical cases are shown supplemented by a wealth of images The book offers a useful tool both for radiologists who will find in it a valuable guide to correctly diagnosing traumatic injuries and for clinicians who will come to better understand the findings of the diagnostic tests performed on their patients
