Psychosocial Theories Individual Traits And Criminal Behavior:

Introduction to Criminology Anthony Walsh, Craig Hemmens, 2008-03-07 Combining the didactic approach of a textbook with well edited critical research articles *Introduction to Criminology* provides the best of both worlds offering a unique new spin on the core textbook format Organized like a more traditional introductory criminology text this Text Reader is divided into 14 sections that contain all the usual topics taught in an introduction to criminology course After a comprehensive overview each section has an introductory mini chapter that provides engaging coverage of key concepts developments controversial issues and research in the field These authored introductions are followed by carefully selected and edited original research articles The readings were written by criminology experts and often have a policy orientation that will help address student interest in the so what application of theory Key Features and Benefits Features the unique How to Read a Research Article tied to the first reading in the book to guide students in understanding and learning from the edited articles that appear throughout the text Boasts extensive and innovative coverage of the field of criminology with special emphasis on the modern psychosocial and biosocial theories and concepts and integrating them with traditional sociological theories Utilizes unique summary tables at the ends of all theory chapters to allow students to quickly observe differences and similarities between competing theories Concludes all theory chapters with a distinctive section that presents policy and prevention implications to describe how the theories can be applied to social and criminal

Criminology Anthony Walsh, Cody Jorgensen, 2020-01-07 Anthony Walsh and Cody Jorgensen's *Criminology The Essentials* introduces students to major theoretical perspectives and topics in a concise easy to read format This straightforward overview of key subject areas in criminology thoroughly covers the most up to date advances in theory and research while challenging students to consider the applications of these theories and their policy implications The Fourth Edition includes new topics events and developments in criminology

Criminology John Muncie, 2006 *Psychological Explanations of Crime* David P. Farrington, 1994 This work offers a fundamental analysis of the psychological factors that underlie crime and criminal behaviour Among the topics addressed are antisocial personality the Eysenck personality theory low intelligence low attainment and neuropsychological deficit and unpopularity

Protecting the Library, 1984

Introduction to Social Work and Social Welfare Mary Wirtz Macht, José B. Ashford, 1991 *Criminological Theories* Ronald L. Akers, Christine Sharon Sellers, 2004 In this new edition Akers and Sellers provide a concise but thorough review and appraisal of the leading theories of crime and criminal justice The text has been updated to keep current with changes in the development testing integration and application of important criminological theories

Juvenile Delinquency Larry J. Siegel, 2003

Advances in Criminological Theory, 1989 *Criminological Thought* Robert J. Mutchnick, W. Timothy Austin, Randy Martin, 2009 Offering an extensive look into the lives and times of fifteen notable crime theorists *Criminological Thought Pioneers Past and Present* examines the people who have helped shape the discipline Features fifteen criminological pioneers Includes a

systematic approach that focuses on one thinker per chapter Offers an innovative work that places the theoretical perspective within a historical context **Criminal Behavior** Curt R. Bartol,2002 For junior senior level courses in Psychology of Crime Criminal Behavior Criminology and Crime Patterns This text uses a cognitive behavioral and interactionist approach integrating international theory and research and moving from broad theoretical explanations and descriptions of crime toward empirical research on specific criminal offenses The book examines the causes classification prediction prevention intervention and treatment of criminal behavior from a social psychological perspective The Sixth Edition presents the criminal offender as existing on a continuum ranging from the serious repetitive offender who begins his her criminal career at a very young age to the adolescent limited offender who usually begins offending during adolescence

Sociology of Deviant Behavior Marshall B. Clinard,Robert Frank Meier,1998 Looking for a textbook with simplified terminology and endless study helps SOCIOLOGY OF DEVIANT BEHAVIOR hits the hot topics from terrorism to white collar crime and shows you how sociological theory explains them Now in its 13th edition this textbook continues to be the best of its kind on the market After you use its study guides and get the grade you need you ll see why **Library Trends** ,1984

Journal of Evolutionary Psychology ,1996 **Criminological Theory** Francis T. Cullen,Robert Agnew,2003 This text is a comprehensive anthology in which criminologists Cullen and Agnew take readers from past to present reviewing classic and contemporary theories of crime This new edition features 14 new selections ranging from classic works to recent selections on social disorganization and control balance theories *Psychosocial Theories* Krista S. Gehring,Michael R. Batista,2021-01-15 CrimComics offers a new way to approach criminological theory by engaging students with impactful highly visual illustrated texts Each CrimComics Issue traces the development of the theory placing it in social and political context and demonstrates its application to the real world The last page of each Issue features review questions and key terms Issue 1 Origins of Criminology introduces students to the two major schools of criminological thought the Classical School and the Positivist School This issue discusses the concepts developed by the major proponents of these schools Cesare Beccaria Jeremy Bentham and Cesare Lombroso Page 4 de la couverture *Criminology* John E. Conklin,1989

Criminology Gennaro F. Vito,Ronald M. Holmes,1994 Focusing on pure criminology not criminal justice systems topics this book takes a broad approach to criminological theory incorporating sociology psychology biology and ecology The text blends the theoretical and applied aspects of criminology incorporating timely topics such as gang violence substance abuse serial murder and satanic cults Writing from a social sciences perspective the authors explore why and how crime occurs and how this knowledge can guide policy development The authors show the interplay of theory research and public policy throughout the text **Major Criminological Theories** Liquan Cao,2004 The book is a reference text book in one It criticizes the current bifurcation of theory and methodology and presents the history of scientific criminology It then describes briefly each major criminological theory and lists how the key concepts of each of these theories are measured All

the major studies that test these theories are reviewed and evaluated The book may serve as a reference book or a guideline in testing criminological theories The book itself does not make attempts to advance any new theory but tries to make a contribution to the criminological literature by strengthening the testability of existing criminological theories That is it contributes to the construction of a more scientific approach to criminology and it allows for a more penetrating analysis of existing problems of scientific criminology and of the ways to address these problems *Baker Encyclopedia of Psychology*
David G. Benner, 1985 This book was born out of an awareness of the need for a comprehensive treatment from a Christian point of view Presents major current findings and theories in psychology Signed entries are lengthy and contain references Many cross references Also includes biographical entries
