

What is Reiki

Reiki- **Rei** means "God's Wisdom / the Higher Power" and **Ki** is "life force energy". Reiki therefore means "spiritually guided life force energy".

The **Reiki** distance healing technique is used to send energies over a distance and treat clients.

Reiki creates balance and harmony in the recipient to promote healing.

A basic tenet of **Reiki** is that the flow of energy varies according to the degree of disharmony in the person or animal's body/mind.

Reiki energy flows freely from the healer's body to the recipient just like free flowing water. It relieves pain or stress from a part of the body with the greatest need.

Reiki energy works in harmony with all other forms of healing, including medicines, surgery, psychological care or any other method of alternative care.

83% studies show moderate to strong evidence supporting the merits of **Reiki** treatment.

About 4 000 000 people all over the world have taken atleast one level of **Reiki** training.

Reiki Healing for Beginners Judith Yandell, 2021-05-10 Why don't you release the energy in your body? When you see the benefits you'd wish you did it sooner! This is not a religious book; it won't try to convince you to believe that there's a higher being that sets the moral grounds and awards you for your good behavior. Instead, it will entice you to think about the limitless power of energy, the universal energy that promotes spiritual wellbeing. Through practicing Reiki, you can heal your body, mind, and soul. At the core of the Reiki practice lies a very simple philosophy: if you let the energy flow freely, you'll witness your healing power. Even though we're all born with this energy, very few of us know how to make the most out of it. It requires a lot of practice until you understand how to use it correctly, but your efforts will not go in vain. Even though energy is invisible, this book will try to paint you a picture of Reiki art. Moreover, it will go over the benefits of becoming a Reiki practitioner, which are endless. Here are but a few of the advantages: Activate the energy within yourself and let it flow freely. Lower stress and anxiety and be at peace with yourself. Channel energy through the energy centers and palms. Promotes harmony, balance, and a positive lifestyle. Clear your head from stress and tension. Breaks energy blocks, therefore balancing your mind, body, and spirit. Nurtures the immune system and encourages self-healing. Helps you be in the present moment and improves focus. And many more. Reiki entices deep healing and spiritual growth. Much more than gaining personal benefits, once you unlock the power of Reiki, you'll be able to help others as well. If you feel suffocated, that's just your energy trying to break free. Let it go with the flow. Scroll up, click on Buy Now with 1 click, and Get Your Copy Now!
