bad things that contributed to her mental state It is ultimately a story about how a mother s love can overcome the terrible odds associated with this addiction This is a well written entertaining book The author s style is light even when when the subject is not It would have been easy to simply write about the misery that must come with Meth addiction Instead the author gives insight into her background and motivations You can t help but root for the author as she describes her descent into drug addiction hell even though she is responsible for all her choices Being a mom of a special needs son only child and struggling to be everything to that child while barely hanging on yourself is such a familiar story to me While reading this book it hit home so much I had to stop reading it for moments at a time So real and writing was so descriptive I had to separate her feelings from my own in some regard Thank you for opening up to your readers and trusting us with your story I picture you kind of like a female Rocky winning in the end Can t help but root for you and Andy What an insightful and bravely written book What Kim has shared is an amazingly helpful understanding to anyone who has been touched by the outreaching fingers of meth addiction and mental illness And to those who haven t a good reminder that not everyone or everything is as it may seem A beautiful memoir about one mom s struggle with her lot in life and how she chose to deal with it using illegal drugs It s told in a brave clear manner with no careful wording I loved reading more about Andy and was absolutely rooting for Wollenburg through it all At first you don t understand Kim Then you love her Kim illustrates with graphic detail and genuine emotion the pain of addiction as well as the sometimes circuitous path to recovery This book is extremely well written I wish I lived next door to this courageous mother daughter and woman of worth CRYSTAL CLEAN A mother s struggle with meth addiction and recovery is an honest and transparent look at the world of meth addiction and recovery As a reader I was swallowed up into this world of addiction pain anger and fear Many times I wanted out I wanted to skip to the end of the book and be assured that this young woman was going to be okay I applaud the author for her obvious courage in sharing her story and exposing her pain and allowing herself to be so vulnerable The author s writing is superb strong imagery and an authenti
