Summary of David R. Hawkins 's Healing and Recovery Everest Media, 2022-04-05T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Map of Consciousness is a tool that helps you understand the relationships between body mind and spirit It was developed out of a composite of decades of research in a variety of fields It documents the first time that these energy fields have ever been calibrated 2 The energy fields of Shame Guilt and Apathy are located at the bottom of the Map The emotions associated with these levels are self hatred and depression and the view of the world associated with these levels is that of sin and suffering 3 The next energy field is Fear which is also negative but it calibrates at 100 It is the shrinkingness and fear of the future yet it has a lot of energy If we

know what to be afraid of the energy of fear can be beneficial as caution 4 Anger which calibrates at 150 is a very powerful emotion It can be used to pursue something better for oneself and it can lead to progress Pride which calibrates at 175 is a much more powerful emotion than the levels below it However it has a negative direction *Healing and Recovery* David R. Tonsager, FCT Practitioner, 2015-11-20 As toxins gradually build up in the body health issues can begin to appear Healthy tissues show a different field than unhealthy tissue and Field Control Therapy or FCT works with such energy fields Steven Tonsager one of the most active practitioners of FCT shares his work which led him to form theories about the power of energy medicine in treating patients and his own life Although Steven was influenced by FCT founder Dr Savely Yurkovsky Dr David Hawkins and Dr William Tiller he explores

new territory in the book giving FCT practitioners and others powerful practical tools and strategies to uncover insights into the cause and treatments of various health issues In *The Powers of Attention Attraction and Intention in Field Control Therapy My Pathway of Adventure Discovery and Healing* Steven offers the following New ideas to help patients understand differences between conventional and informational medicine by providing clinical examples New methods for FCT practitioners to test patients to improve results as well as new ways to make FCT remedies and administer them to patients Additional concepts to connect FCT testing with toxicological principles Practical methods to apply MEMON technology for patients with sensitivity to electromagnetic fields produced by technology Steven who hopes his book will inspire others to integrate FCT into their professional and personal lives also details his path of discovery during his work with patients in his sometimes irreverent style describing the transformation in his thinking after administering more than 10 000 FCT tests Those findings led to discoveries explored in the last portion of the book going beyond current FCT methods and theories

Overnight, Really? Sonja Beaurain, 2025-03-10 In *Overnight Really* Sonja gives readers a living real time account of her journey to success Unlike many successful individuals who might struggle to recall the exact steps they took before their success Sonja's approach is different Driven by the belief that the pre success journey is just as valuable if not more so Sonja set out to write this book while she was still in the process of building her success This book is a true living example of what it takes to persevere and overcome obstacles while building a successful life and business through purposeful parenting

Intention Based Field Resonance Testing Steven R. Tonsager, 2017-08-14 Join Steven Tonsager for food jokes and healing in *Intention Based Field Resonance Testing The Magnification of the Whisper* Each chapter imagines a mealtime conversation between you and Mr Tonsager as he explains how the language of numbers is used to magnify physical emotional mental and spiritual healing Through this series of informal and entertaining conversations Tonsager explains the ways that he develops and uses number sequences to heal the underlying problems incoherencies caused by any number of factors both past and present that manifest in the body as stress and illness Thanks to these conversations you will begin to understand that in whisperology science and spirituality share a common ground that connects us deeply with the Divine and with each other In this common ground there are no limits to transformation and healing

What is Holiness? Thomas Van Dyke,2024-03-26 What is Holiness Is it a title we give to religious leaders or special religious movements Is it an expression to describe the extreme righteousness and purity of God and people Or is it simply a vague ethereal term we use to express the nature of someone or something The Bible states that because God is holy people must be holy and without holiness no one will see God Such statements should compel us to explore this topic and give it a high priority in our lives In this book the author attempts to provide us with a working definition of holiness and how it applies to our lives He explains holiness as a relational term as opposed to a behavioral term such as righteousness and shows how it should characterize not only our relationship with God but all relationships in God s creation Finally the author explores the various characteristics of holiness such as its beauty power discipline and peacefulness
