Sociology James M. Henslin, Keith Christopher Hampson, 2004

Sociology James M. Henslin, 2020-02-04 A Down to Earth Approach James Henslin shares the excitement of sociology in Essentials of Sociology A Down to Earth Approach 11 e With his acclaimed down to earth approach and personal writing style the author highlights the sociology of everyday life and its relevance to students lives With wit personal reflection and illuminating examples Henslin stimulates students sociological imagination so they can better perceive how the pieces of society fit together In addition to this trademark down to earth approach other distinctive features include comparative perspectives the globalization of capitalism and visual presentations of sociology MySocLab is an integral part of the Henslin learning program Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens With MySocLab students can develop critical thinking skills through writing explore real world data through the new Social Explorer and watch the latest entries in the Core Concept Video Series This title is available in a variety of formats digital and print Pearson offers its titles on the devices students love

through Pearson's MyLab products CourseSmart Amazon and more To learn more about pricing options and customization click the Choices tab Essentials of Sociology Revel Access Card James M. Henslin, 2014-07-02 REVEL for Essentials of Sociology A Down to Earth Approach Eleventh Edition highlights the sociology of everyday life and its relevance to students lives With wit personal reflection and illuminating examples author James Henslin stimulates students sociological imaginations so they can better perceive how the pieces of society fit together In addition to the trademark down to earth approach REVEL for Essentials of Sociology emphasizes comparative perspectives visual presentations of sociology and coverage of the globalization of capitalism REVEL is Pearson's newest way of delivering our respected content Fully digital and highly engaging REVEL offers an immersive learning experience designed for the way today's students read think and learn Enlivening course content with media interactives and assessments REVEL empowers educators to increase engagement with the course and to better connect with students NOTE REVEL is a fully digital delivery of Pearson content This ISBN is for the standalone REVEL access card In addition to this access card you will need a course invite link provided by your instructor to register for and use REVEL Sociology James M. Henslin, 2005 This best selling comprehensive text shares the excitement of sociology with the acclaimed down to earth approach that highlights the sociology of everyday life The Seventh Edition of this highly regarded text retains all the features that have made previous editions so successful The author has a unique ability to engage students without sacrificing content or talking down to them With wit personal reflection and illuminating examples Henslin shares his passion for sociology with his readers like no other author of an introductory text can **The Sacred Project of American Sociology** Christian Smith, 2014-07-03 Counter to popular perceptions contemporary American sociology is and promotes a profoundly sacred project at heart Sociology today is in fact animated by sacred impulses driven by sacred commitments and serves a sacred project Sociology appears on the surface to be a secular scientific enterprise its founding fathers were mostly atheists Its basic operating premises are secular and naturalistic Sociologists today are disproportionately not religious compared to all Americans and often irreligious The Sacred Project of American Sociology shows counter intuitively that the secular enterprise that everyday sociology appears to be pursuing is actually not what is really going on at sociology's deepest level Christian Smith conducts a self reflexive tables turning cultural and institutional sociology of the profession of American sociology itself showing that this allegedly secular discipline ironically expresses Emile Durkheim's inescapable sacred exemplifies its own versions of Marxist false consciousness and generates a spirited reaction against Max Weber's melancholically observed disenchantment of the world American sociology does not escape the analytical net that it casts over the rest of the ordinary world Sociology itself is a part of that very human very social often very sacred and spiritual world And sociology's ironic mis recognition of its own sacred project leads to a variety of arguably self destructive and distorting tendencies This book re asserts a vision for what sociology is most important for in contrast with its current commitments and calls sociologists back to a more honest fair and

healthy vision of its purpose **The Writer's Handbook for Sociology** Dona Young,2019-01-10 The Writer s Handbook for Sociology gives students the tools that they need to develop evidence based writing skills and format academic papers in American Psychological Association APA and American Sociological Association ASA style This book helps learners develop a reader friendly writing style incorporating active voice parallel structure and conciseness In addition grammar and mechanics are presented in a systematic way to facilitate learning helping students fill learning gaps Alternative Sociologies of Religion James V Spickard,2018-03-06 Uncovers what the sociology of religion would look like had it emerged in a Confucian Muslim or Native American culture rather than in a Christian one Sociology has long used Western Christianity as a model for all religious life As a result the field has tended to highlight aspects of religion that Christians find important such as religious beliefs and formal organizations while paying less attention to other elements Rather than simply criticizing such limitations James V Spickard imagines what the sociology of religion would look like had it arisen in three non Western societies What aspects of religion would scholars see more clearly if they had been raised in Confucian China What could they learn about religion from Ibn Khaldun the famed 14th century Arab scholar What would they better understand had they been born Navajo whose traditional religion certainly does not revolve around beliefs and organizations Through these thought experiments Spickard shows how non Western ideas understand some aspects of religions even of Western religions better than does standard sociology The volume shows how non Western frameworks can shed new light on several different dimensions of religious life including the question of who maintains religious communities the relationships between religion and ethnicity as sources of social ties and the role of embodied experience in religious rituals These approaches reveal central aspects of contemporary religions that the dominant way of doing sociology fails to notice Each approach also provides investigators with new theoretical resources to guide them deeper into their subjects The volume makes a compelling case for adopting a global perspective in the social sciences *Service Sociology and Academic Engagement in Social Problems* A. Javier Treviño,Karen M. McCormack,2016-04-01 This book challenges sociologists and sociology students to think beyond the construction of social problems to tackle a central question What do sociologists do with the analytic tools and academic skills afforded by their discipline to respond to social problems Service Sociology posits that a central role of sociology is not simply to analyse and interpret social problems but to act in the world in an informed manner to ameliorate suffering and address the structural causes of these problems This volume provides a unique contribution to this approach to sociology exploring the intersection between its role as an academic discipline and its practice in the service of communities and people With both contemporary and historical analyses the book traces the legacy characteristics contours and goals of the sociology of service shedding light on its roots in early American sociology and its deep connections to activism before examining the social context that underlies the call for volunteerism community involvement and non profit organisations as well as the strategies that have promise in remedying contemporary social

problems Presenting examples of concrete social problems from around the world including issues of democratic participation poverty and unemployment student involvement in microlending disaster mitigation the organization and leadership of social movements homelessness activism around HIV AIDS and service spring breaks Service Sociology and Academic Engagement in Social Problems explores the utility of public teaching participatory action research and service learning in the classroom as a contribution to the community

The SAGE Encyclopedia of Psychology and Gender

Kevin L. Nadal, 2017-04-15 The SAGE Encyclopedia of Psychology and Gender is an innovative exploration of the intersection of gender and psychology topics that resonate across disciplines and inform our everyday lives This encyclopedia looks at issues of gender identity and psychological processes at the individual as well as the societal level exploring topics such as how gender intersects with developmental processes both in infancy and childhood and throughout later life stages the evolution of feminism and the men's movement the ways in which gender can affect psychological outcomes and influence behavior and more With articles written by experts across a variety of disciplines this encyclopedia delivers insights on the psychology of gender through the lens of developmental science social science clinical and counseling psychology sociology and more This encyclopedia will provide librarians students and professionals with ready access to up to date information that informs some of today's key contemporary issues and debates These are the sorts of questions we plan for this encyclopedia to address What is gender nonconformity What are some of the evolutionary sex differences between men and women How does gender based workplace harassment affect health outcomes How are gender roles viewed in different cultures What is third wave feminism

Reclaiming Class Vivyan Adair, Sandra Dahlberg, 2003-04-25

Reclaiming Class offers essays written by women who changed their lives through the pathway of higher education Collected they offer a powerful testimony of the importance of higher learning as well as a critique of the programs designed to alleviate poverty and educational disparity The contributors explore the ideologies of welfare and American meritocracy that promise hope and autonomy on the one hand while also perpetuating economic obstacles and indebtedness on the other Divided into the three sections Reclaiming Class assesses the psychological familial and economic intersections of poverty and the educational process In the first section women who left poverty through higher education recall their negotiating the paths of college life to show how their experiences reveal the hidden paradoxes of education Section two presents first person narratives of students whose lives are shaped by their roles as poor mothers guardian siblings and daughters as well as the ways that race interacts with their poverty Chapters exploring financial aid and welfare policy battery and abuse and the social constructions of the poor woman finish the book Offering a comprehensive picture of how poor women access all levels of private and public institutions to achieve against great odds Reclaiming Class shows the workings of higher learning from the vantage point of those most subject to the vicissitudes of policy and reform agendas

Dictionary of Military

Sociology Dr. George Kaffes, 2024-05-28 Although Moskos showed the way to this particular field of Military Sociology Dr

George Kaffes sociologist and teacher for over thirty years in the Hellenic Army Academy felt the necessity of a first introductory but academic work in order to offer the Dictionary of Military Sociology terms From the small Greek island of Kastellorizo where he finished this work Dr Kaffes goal is to give the opportunity by gathering all these terms including military sociologists and researchers some significative military leaders a small but significative slang vocabulary and some operational terms to every sociologist whose interest is about military and society to have this very special tool in hands Another goal of Dictionary of Military Sociology is to show some terms of military slang which is a colloquial language used by and associated with members of various military forces About the Author Dr George Kaffes is a Military Sociologist and has taught Military Sociology as a fulltime professor at the Hellenic Army Academy for more than thirty years He focuses his research more on sociology of violence and war sociology of terrorism gender in the militaries and army sociology He is married with one daughter and he speaks more than his mother language which includes Greek French Portuguese English and German His book is destined to all researchers militaries cadets and everyone who is interested in the field of military sociology

Other Worlds John R. Heapes, 2014-02-21 Who hasnt asked What happens to me after I die and or Are we alone in the universe Other Worlds UFOs Aliens and the Afterlife takes readers on a journey into other galaxies and into a different timea time after all of their tomorrows How are the societies organized on other planets and in the afterlife This book answers this question with a new approach in the UFO and the Near Death Experience fields As readers take this trip they will wonder if there are universal laws governing the societies of intelligent beings regardless of where they reside in existence Are humans projecting into foreign forms their own beliefs about how societies should be arranged on Earth Why study such ethereal and controversial material We always learn about ourselves when we study those who are different from us whether those beings are real or not Anyone who has read a good book of fiction knows the validity of this point Consider how many teenagers identify with the characters in the Hunger Games books What follows is the sociological perspective We will explore institutions such as marriage and the family social classes and culture We will determine the sex of alien travelers as well as the occupations of their human witnesses We will learn what the afterlife looks like and discover what messages deceased beings deliver to humans
