A History of Economic Thought Lionel Robbins,2000-10-16 Lionel Robbins s now famous lectures on the history of economic thought comprise one of the greatest accounts since World War II of the evolution of economic ideas This volume represents the first time those lectures have been published Lord Robbins 1898 1984 was a remarkably accomplished thinker writer and public figure He made important contributions to economic theory methodology and policy analysis directed the economic section of Winston Churchill s War Cabinet and served as chairman of the Financial Times As a historian of economic ideas he ranks with Joseph Schumpeter and Jacob Viner as one of the foremost scholars of the century These lectures delivered at the London School of Economics between 1979 and 1981 and tape recorded by Robbins s grandson display his mastery of the intellectual history of economics his infectious enthusiasm for the subject and his eloquence and incisive wit They cover a broad chronological range beginning with Plato Aristotle and Aquinas focusing extensively on Adam Smith Thomas Malthus and the classicals and finishing with a discussion of moderns and marginalists from Marx to Alfred Marshall Robbins takes a varied and inclusive approach to intellectual history As he says in his first lecture I shall go my own sweet way sometimes talk about doctrine sometimes talk about persons sometimes talk about periods The lectures are united by Robbins s conviction that it is impossible to understand adequately contemporary institutions and social sciences without understanding the ideas behind their development Authoritative yet accessible combining the immediacy of the spoken word with Robbins s exceptional talent for clear well organized exposition this volume will be welcomed by anyone interested in

the intellectual origins of the modern world Histories of Economic Thought Warren J. Samuels, Jeff Biddle, 2003 Four documents pertinent to the history of economic thought are published for the first time a list of references in economics dating from 1880 a syllabus of lectures on the history of economics given by C H Hull in Cornell University in 1895 the outlines for Walton H Hamilton's Principles of Economics course in the University of Michigan 1911 and notes taken in James S Earley's course on the Development of Economics 1954 1955 by Warren J Samuels **Research in the History of Economic Thought and Methodology** Warren J. Samuels, Donald F. Koch, Jeff Biddle, 1987-10 Volume 25 C commences a series of class notes taken at Northwestern and Chicago during the period 1964 1967 The notes from courses at Northwestern are Robert Clower's course on economic theory and Frank Fetter's course on monetary institutions and policies The notes from Chicago include George Stigler's course on industrial organization Merton Miller's course on corporate finance and Daniel Orr's course on the theory of the firm Also included are Warren Samuels' notes from James Earley's courses on economic theory and on money income and price given at Wisconsin during 1954 1955 and Samuels' notes from a faculty seminar on myth theology and society given by Robert T Anderson at Michigan State University in 1974 The series presents review essays multiple reviews and mini symposia on new works in this field Volumes are broad in scope The series fills a substantial gap in this field **History of Economic Thought** Edward Tower, 1985 **The History of Economic Thought** Steven G. Medema, Warren J. Samuels, 2003 With clearly written summaries putting each selection into context and useful questions for discussion this reader should be useful to students and lecturers of the history of economic thought and goes beyond the simple reprinting of articles Selections and discussions include such thinkers as Aristotle John Locke Francois Quesnay David Hume Jean Baptiste Say Karl Marx William Stanley Jevons Irving Fisher and Thorstein Veblen The volume can be used as a core textbook or as a supplementary text on courses in economic thought and philosophy It should provide readers with a good foundation in the different schools of thought that run through economics **An Economic Philosophy of Production, Work and Consumption** Rodney Edvinsson, 2022-08-01 An Economic Philosophy of Production Work and Consumption presents a new transhistorical framework of defining production work and consumption It shows that they all share the common feature of intentional physical transformation of something external to the agent at some point in time The book opens with a discussion of various theoretical traditions within economics spanning mainstream and heterodox perspectives and problems with production definitions in use today Next the author outlines various definitions in a more formal manner and provides a discussion on measurement and the production boundary Unproductive work is redefined as socially reproductive i.e. such that would not be performed on a Robinson Crusoe Island Finally the volume applies the new conceptual framework to various historical cases and discusses the future of production work and consumption This essential volume will be of interest to scholars of economic philosophy and methodology the history of economic thought economic history and national accounting The Open Access version of this book available at www

Literacy Myths, Legacies, and Lessons Harvey J. Graff, 2017-07-05 In his latest writings on the history of literacy and its importance for present understanding and future rethinking historian Harvey J. Graff continues his critical revisions of many commonly held ideas about literacy The book speaks to central concerns about the place of literacy in modern and late modern culture and society and its complicated historical foundations Drawing on other aspects of his research Graff places the chapters that follow in the context of current thinking and major concerns about literacy and the development of both historical and interdisciplinary studies Special emphasis falls upon the usefulness of the literacy myth as an important subject for interdisciplinary study and understanding Critical stock taking of the field includes reflections on Graff's own research and writings of the last three decades and the relationships that connect interdisciplinary rethinking and the literacy myth The collection is noteworthy for its attention to Graff's reflections on his identification of the literacy myth and in developing Literacy Studies OSU Ohio State University as a model for university wide interdisciplinary programs It also deals with ordinary concerns about literacy or illiteracy that are shared by academics and concerned citizens These nontechnical essays will speak to both academic and nonacademic audiences across disciplines and cultural orientations

A History of Economic Thought Isaak Il'ich Rubin, 2017 [History of Economic Thought](#) Lionel Robbins, 1998 Lionel Robbins's now famous lectures on the history of economic thought comprise one of the greatest accounts since World War II of the evolution of economic ideas This volume represents the first time those lectures have been published Lord Robbins 1898-1984 was a remarkably accomplished thinker, writer, and public figure He made important contributions to economic theory, methodology, and policy analysis directed the economic section of Winston Churchill's War Cabinet and served as chairman of the Financial Times As a historian of economic ideas he ranks with Joseph Schumpeter and Jacob Viner as one of the foremost scholars of the century These lectures delivered at the London School of Economics between 1979 and 1981 and tape recorded by Robbins's grandson display his mastery of the intellectual history of economics his infectious enthusiasm for the subject and his eloquence and incisive wit They cover a broad chronological range beginning with Plato, Aristotle, and Aquinas, focusing extensively on Adam Smith, Thomas Malthus, and the classicals and finishing with a discussion

of moderns and marginalists from Marx to Alfred Marshall Robbins takes a varied and inclusive approach to intellectual history As he says in his first lecture I shall go my own sweet way sometimes talk about doctrine sometimes talk about persons sometimes talk about periods The lectures are united by Robbins s conviction that it is impossible to understand adequately contemporary institutions and social sciences without understanding the ideas behind their development Authoritative yet accessible combining the immediacy of the spoken word with Robbins s exceptional talent for clear well organized exposition this volume will be welcomed by anyone interested in the intellectual origins of the modern world
