High-Impact Teams Lance Witt, 2018-07-31 No matter how big an organization we all do ministry with a team whether paid or volunteer Anyone who has been part of a great team knows it's something special When there is good chemistry everyone is operating from their sweet spot the objectives are clear and kingdom progress is being made it is incredibly fulfilling and fun On the flip side we're painfully aware what happens when there is dysfunction in the team stress tension politics and posturing It's not much fun for anyone and we end up squandering our divine assignment Lance Witt founder of Replenish ministries and a former executive and teaching pastor at Saddleback Church knows what it takes to keep teams functioning at the highest level of impact He shows leaders how to build next level teams that are spiritually emotionally and relationally healthy and productive and high performing Short to the point chapters make the book easy to digest and the perfect resource for your team to read through together *Mission of the Church* Jerome Boone, Jerald Daffe, William Effler, Henry Smith, 2018-05-30 What is the mission of the corporate church What is the mission of local churches regardless of denominations What is the reason for the existence of the local church These three questions not only deserve

consideration by leadership but also need to be understood by the entire membership to enable productive kingdom work It is so easy for a congregation to develop programs and activities based on what other groups are doing or on what are the perceived needs of the moment These do have value however they tend to be based on our human concepts rather than the directives of Scripture Terry Cross Dean of the School of Religion at Lee University describes this book as follows Another book on the church This one is different Thirteen seasoned professors with some 400 years of combined ministerial experience engage various aspects of the mission of the church Much like the pulse that beats from a strong heart the idea of partnering with God s mission as transformed participants in God s work reappears throughout the chapters While the focus of attention is different for each author the theme beats the same pulse throughout the mission of God is the heart of God and must be the heart of the church With additional contributions from Bob Bayles Terry Cross Rolando Cuellar Tom Doolittle Jimmy Harper John Lombard Lisa Long Edley Moodley Mark Walker **Hungry, Humble, Hustle** Brad Lomenick,2015-07-31
