

HISTORIA DE LAS UNIVERSIDADES ARGENTINAS

Historia De Las Universidades Argentinas Spanish Edition

**María de la Paz Ramos-Lara,Luis
Carlos Arboleda**

Historia De Las Universidades Argentinas Spanish Edition:

The Chaco Mission Frontier James Schofield Saeger, 2022-08-23 Spanish missions in the New World usually pacified sedentary peoples accustomed to the agricultural mode of mission life prompting many scholars to generalize about mission history James Saeger now reconsiders the effectiveness of the missions by examining how Guaycuruan peoples of South America's Gran Chaco adapted to them during the eighteenth century Because the Guaycuruans were hunter gatherers less suited to an agricultural lifestyle their attitudes and behaviors can provide new insight about the impact of missions on native peoples Responding to recent syntheses of the mission system Saeger proposes that missions in the Gran Chaco did not fit the usual pattern Through research in colonial documents he reveals the Guaycuruan perspective on the missions thereby presenting an alternative view of Guaycuruan history and the development of the mission system He investigates Guaycuruan social economic political and religious life before the missions and analyzes subsequent changes he then traces Guaycuruan history into the modern era and offers an assessment of what Catholic missions meant to these peoples Saeger's research into Spanish documents is unique for its elicitation of the Indian point of view He not only reconstructs Guaycuruan life independent of Spanish contact but also shows how these Indians negotiated the conditions under which they would adapt to the mission way of life thereby retaining much of their independence By showing that the Guaycuruans were not as restricted in missions as has been assumed Saeger demonstrates that there is a distinct difference between the establishment of missions and conquest The Chaco Mission Frontier helps redefine mission studies by correcting overgeneralization about their role in Latin America

Sarmiento and His Argentina Joseph Criscenti, Joseph T. Criscenti, 1993 Domingo Faustino Sarmiento president of Argentina from 1868 to 1874 is best known as an educator and as the author of *Civilization and Barbarism* The Life of Juan Facundo Quiroga generally referred to as El Facundo The contributors to this volume call attention to other facets of Sarmiento's life and to the results of the programs he encouraged

Identity and Nationalism in Modern Argentina Jeane DeLaney, 2020-07-25 Nationalism has played a uniquely powerful role in Argentine history in large part due to the rise and enduring strength of two variants of anti liberal nationalist thought one left wing and identifying with the people and the other right wing and identifying with Argentina's Catholic heritage Although embracing very different political programs the leaders of these two forms of nationalism shared the belief that the country's nineteenth century liberal elites had betrayed the country by seeking to impose an alien ideology at odds with the supposedly true nature of the Argentine people The result in their view was an ongoing conflict between the false Argentina of the liberals and the authentic nation of true Argentines Yet despite their commonalities scholarship has yet to pay significant attention to the interconnections between these two variants of Argentine nationalism Jeane DeLaney rectifies this oversight with *Identity and Nationalism in Modern Argentina* In this book DeLaney explores the origins and development of Argentina's two forms of nationalism by linking nationalist thought to ongoing debates over Argentine identity Part I considers the period before 1930

examining the emergence and spread of new essentialist ideas of national identity during the age of mass immigration Part II analyzes the rise of nationalist movements after 1930 by focusing on individuals who self identified as nationalists DeLaney connects the rise of Argentina's anti liberal nationalist movements to the shock of early twentieth century immigration She examines how pressures posed by the newcomers led to the weakening of the traditional ideal of Argentina as a civic community and the rise of new ethno cultural understandings of national identity Identity and Nationalism in Modern Argentina demonstrates that national identities are neither unitary nor immutable and that the ways in which citizens imagine their nation have crucial implications for how they perceive immigrants and whether they believe domestic minorities to be full fledged members of the national community Given the recent surge of anti immigrant sentiment in Europe and the United States this study will be of interest to scholars of nationalism political science Latin American political thought and the contemporary history of Argentina *Catalog of the Latin American Collection* University of Texas at Austin. Library. Latin American Collection, 1969

History of Science in Latin America: The Construction of an Intellectual Field (20th century) María de la Paz Ramos-Lara, Luis Carlos Arboleda, 2024-12-23 This book provides a unique analysis of how the History of Science became institutionalized in Latin America during the last two decades of the 20th century It examines the establishment of the first Latin American community in the History of Science and its connections with the international community and various international institutions such as the International Union of History and Philosophy of Science and Technology Division of History of Science and Technology IUHPST DHST The authors are the same scholars who have been involved in several activities and strategies to professionalize and institutionalize this field in Latin America They explore the impact of Western educational institutions and theoretical and methodological perspectives on the introduction of the History of Science in several Latin American nations The book examines the two way movement of European scholars to Latin America and Latin American students mainly to France At that time the organization of congresses in France Spain the United States and other European countries encouraged the participation of Latin American historians of science Notable events include the Science and Empires congress in Paris 1990 the Ciencia descubrimiento y mundo colonial conference in Madrid 1991 and the International Congresses of History of Science and Technology ICHST The authors refer to seven Latin Americans who signed the Declaration of Bucharest 1981 to promote the history of sciences in their countries This initiative led to the establishment of the Latin American Society for the History of Science and Technology LASHST in 1982 under the leadership of Juan Jos Salda a director of Quipu and Cuadernos de Quipu With his leadership existing national societies were reactivated and new ones were created up to ten in four years Argentina Brazil Colombia Mexico Chile Peru Venezuela Costa Rica Ecuador and Cuba This effort internationally legitimized Latin American scientific practice culminating in celebrating the XXI ICHST in Mexico City in 2001 He founded the International Association for Scientific Cultural Diversity IASCUD and became the first Latin American to serve as Secretary General of

IUHPST DHS from 2001 to 2005 Through his various actions and activities Salda a and the LASHST community were able to promote the institutionalization of the History of Science in Latin America This book pays a well deserved tribute to his efforts The Palgrave Biographical Encyclopedia of Psychology in Latin America Ana Maria Jacó-Vilela,Hugo Klappenbach,Rubén Ardila,2023-05-19 This biographical encyclopedia will provide the first comprehensive reference work on leading scholars and professionals who have contributed to the development and institutionalization of psychology in Latin America The figures biographed will include scholars who have made a significant theoretical contribution to the discipline as well as practitioners and those who have contributed to the institutionalization of psychology through their work in scientific organisations professional bodies and publications All persons included are recognized authorities and either natives of or long term residents in the region It will offer an invaluable reference point in particular for scholars of the history of psychology Latin American studies the history of science and global psychology as well as for historians psychologists and social scientists seeking international perspectives on the development of the discipline Historical Periodicals Directory Eric H.
