Historical Dictionary Of Catholicism Historical Dictionaries Of Religions Philosophies And Movements Series:

Historical Dictionary of Catholicism William J. Collinge, 2012-02-23 With about one billion members the Catholic Church is one of the world's largest religious bodies and its history is crucially linked to global events In the Historical Dictionary of Catholicism author William J Collinge provides the reader with a comprehensive introduction to the theology doctrines and worship of the religion He covers the entire Catholic tradition from the time of Jesus to the present including the periods before the present division of Christianity into Roman Catholic Eastern Orthodox and Protestant Collinge has also included entries on heretical schismatic and dissident movements within Catholicism and he covers the relation of Catholicism to other Christian traditions to the major non Christian religions and to Western cultural and philosophical traditions The second edition of the Historical Dictionary of Catholicism has been updated to reflect recent developments in the Catholic Church most notably the death of Pope John Paul II and his succession by Pope Benedict XVI An updated introduction precedes the main body of the dictionary which contains more than 500 alphabetical cross referenced entries covering persons organizations places events titles and concepts The entries are followed by several appendixes on popes ecumenical councils the documents of Vatican Council II major papal encyclicals and Catholic prayers and a comprehensive bibliography provides the researcher with further readings The second edition of the Historical Dictionary of Catholicism is an ideal access point for students researchers or anyone interested in the history of the Catholic Church

Historical Dictionary of Catholicism William J. Collinge, 2021-08-15 This work covers the whole history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The Historical Dictionary of Catholicism Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism

Historical Dictionary of the Holiness Movement William Kostlevy, 2009-08-03 It is much harder to define a religious movement than it is to define a religion or denomination That applies especially when that movement almost defies definition as the Holiness Movement does The Holiness Movement is a Methodist religious renewal movement that has over 12 million adherents worldwide Perhaps the most familiar public manifestation of the holiness movement has been its urban holiness missions and the Salvation Army noted for its service ministries among poor and people suffering the dislocations that accompany war and disaster is the most notable example In the second edition of the Historical Dictionary of the Holiness Movement important new developments in the Holiness Movement such as the widely discussed Holiness Manifesto are thoroughly discussed and the content has also

been expanded to include information on figures from Asia and Africa to reflect the continued growth of the Holiness Movement With a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries this reference has information that cannot be found elsewhere **Historical Dictionary of the Welfare State** Bent Greve,2006-01-16 A chronology and an introduction supplement the dictionary entries and a bibliography provides additional resources **BOOK JACKET** **Historical Dictionary of Calvinism** Stuart D.B. Picken,2011-11-11 Calvinism is named after 16th century Reformer John Calvin whose overall theology is contained in his Institutes of the Christian Religion 1559 Calvin's theology and ecclesiology provided the foundation upon which the Reformed Churches of Europe were built It was a comprehensive and carefully expounded alternative to the doctrines of the Roman Catholic Church and was designed to expose their weaknesses and present a view of the Christian Faith that was a reformed version of the old faith The Historical Dictionary of Calvinism relates the history of its founder John Calvin the Reformed Church and the impact that Calvinism has had in the modern world along with an account of modern and contemporary developments within the religious political and social culture it has created This is done through a chronology an introductory essay an extensive bibliography and over 300 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for students researchers and anyone wanting to know more about Calvinism Historical Dictionary of the Seventh-Day Adventists Gary Land,2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ's imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism *Historical Dictionary of Kant and Kantianism* Helmut Holzhey,Vilem Mudroch,2005-06-22 Immanuel Kant was one of the most significant philosophers of the modern age many aspects of Kant's thoughts are not easy to understand and a guide like this Historical Dictionary of Kant and Kantianism should be very welcome not only to students but also teachers and the general public since it contains hundreds of entries describing Kant's life and works and explaining his concepts as well as the contributions of his followers and also some opponents Given the inevitable problems of language the glossary is particularly helpful And the bibliography makes the massive literature more accessible **Historical Dictionary of Heidegger's Philosophy** Frank Schalow,Alfred

Denker,2010-08-20 By the time Martin Heidegger passed away on May 26th 1976 he had become the most important and controversial philosopher of his age While many of his former students had become important philosophers and thinkers in their own right Heidegger also inspired countless others like Jacques Derrida Michel Foucault and Jean Paul Sartre The second edition of the Historical Dictionary of Heidegger s Philosophy is an historical perspective on the development of Heidegger s thought in all its nuances and facets Schalow and Denker cast light on the historical influences that shaped the thinker and his time through a chronology an introductory essay a bibliography appendixes that include German and Greek to English glossaries of terms and a complete listing of Heidegger s writings lectures courses and seminars and a cross referenced dictionary section offering over 600 entries on concepts people works and technical terms This volume is an invaluable resource for student and scholar alike Historical Dictionary of Anglicanism Colin Buchanan,2015-10-22
