Hiuen Tsang A Buddhist Pilgrim From China:

Hiuen Tsang SHUBHA KHANDEKAR,1971-04-01 His wisdom and scholarship were like the sun bringing light to the world When Hiuen Tsang the learned pilgrim from China made the perilous journey to the land of Buddha his prayers were said to work miracles From Turfan to Bamiyan and from Gandhara to Prayag hostile rulers and merciless thieves were rendered powerless by his calm courage His accounts bring 7th century India to life even today **Xuanzang** Sally Wriggins,2020-06-11 The saga of the seventh century Chinese monk Xuanzang who completed an epic sixteen year journey to discover the heart of Buddhism at its source in India is a splendid story of human struggle and triumph One of China s great heroes Xuanzang is introduced here for the first time to Western readers in this richly illustrated book *Xuanzang* Benjamin Brose,2021-10-19 The life and legacy of Xuanzang a Buddhist seeker philosopher and intrepid traveler who became the world s most famous pilgrim In the fall of 629 Xuanzang 600 662 a twenty nine year old Buddhist monk left the capital of China to begin an epic pilgrimage across the country through the deserts of Central Asia and into India His goal was to locate and study authentic Buddhist doctrine and practice then bring the true teachings back to his homeland Over the course of nearly seventeen years he walked thousands of miles and visited hundreds of Buddhist monasteries and monuments He studied with the leading teachers of his day and compiled a written account of his travels that remains a priceless record of premodern Indian history religion and culture When Xuanzang finally returned to China in 645 he brought with him a treasure trove of new texts relics and icons This transmission of Indian Buddhist teachings to China made possible by Xuanzang s unparalleled vision and erudition was a landmark moment in the history of East Asian Buddhism As with many great pre modern religious figures the legends surrounding Xuanzang s life have taken on lives of their own His story has been retold reshaped and repurposed by generations of monastics and laypeople In this comprehensive and engaging account Benjamin Brose charts a course between the earliest most reliable accounts of Xuanzang s biography and the fantastic legends that later developed such as those in the classic Chinese novel Journey to the West Xuanzang remains one of the most consequential monks in the rich history of Buddhism in East Asia This book is an indispensable introduction to his extraordinary life and enduring legacies *Uddiyana Guru Padmasambhava : The Second Buddha* Prabir Kumar Pattanaik,2024-07-07 Buddhist Acharya Padmasambhava of the Vajrayana school of Mahayana sect being invited by the king of Tibet went there during the first half of the eighth century AD He firmly established this esoteric form of Buddhism there and other Himalayan lands which is known as Lamaism He is deified and celebrated in Lamaism as Buddha himself even more than that As a direct result of Padmasambhava s efforts the people of Tibet were elevated to a state of unsurmountable spiritual culture He is therefore truly one of the greatest of the world s culture heroes He is most revered and is honoured as the Second Buddha He belongs to India and hails from Uddiyana Therefore he is popularly known as Uddiyana Guru But a holy personality known all over the world a Great Guru is almost a forgotten name in India least remembered not in history

not in literature not anywhere even among the Buddhist circles in India Padmasambhava originally belongs to Uddiyana the location of this place has been disputed by some scholars to be in Swat Valley within the ancient Gandhara region which is not tenable The present work is an attempt to study all aspects pertaining to this Guru starting from his magical appearance and penances to his mystical life his works and achievements all through the Himalayan region along with Tibet That leads to establish strongly that the home of the Uddiyana Guru is nowhere else but in Odisha Focus has been laid to establish facts and all evidences showing that Uddiyana is but Odisha This may be considered as the exclusive and exhaustive compilation published for the first time in India
