Materials Evaluation And Design For Language Teaching Ian McGrath:

Materials Evaluation and Design for Language Teaching Ian McGrath, 2016 Providing integrated and wide ranging coverage of the topic this is the ideal book for those studying or practising language teaching or applied linguistics

Teaching Materials and the Roles of EFL/ESL Teachers Ian McGrath, 2013-01-17 Considers what effect the availability of teaching materials has had on teachers practice

Introduction to Applied Linguistics Alan Davies, 2007-07-12 This second edition of the foundational textbook *An Introduction to Applied Linguistics* provides a state of the art account of contemporary applied linguistics The kinds of language problems of interest to applied linguists are discussed and a distinction drawn between the different research approach taken by theoretical linguists and by applied linguists to what seem to be the same problems Professor Davies describes a variety of projects which illustrate the interests of the field and highlight the marriage it offers between practical experience and theoretical understanding The increasing emphasis of applied linguistics on ethicality is linked to the growth of professionalism and to the concern for accountability manifested in the widening emphasis on critical stances This Davies argues is at its most acute in the tension between giving advice as the outcome of research and taking political action in order to change a situation which it is claimed needs ameliorisation This dilemma is not confined to applied linguistics and may now be endemic in the applied disciplines

Language Teachers and Teaching Selim Ben Said, Lawrence Jun Zhang, 2013-10-08 This volume gathers contributions from a range of global experts in teacher education to address the topic of language teacher education It shows how teacher education involves the agency of teachers which forms part of their identity and which they take on when integrating into the teaching community of practice In addition the volume explores the teachers situated practice the dynamic negotiation of classroom situations socialization into the professional teaching culture and on the ground experimentation with pedagogical skills techniques

The Complete Guide to Lesson Planning and Preparation Anthony Haynes, 2010-07-01 This book provides expert advice on perennial issues in teaching planning and preparation By taking the best ideas from a variety of sectors and drawing on an unusual breadth of experience as a teacher parent and business manager the author's advice is uniquely well rounded and pragmatic Packed with anecdotes reflective questions and exercises this enjoyable read covers everything a teacher needs to plan and prepare effectively and use assessment to inspire more professional and fruitful lessons

Classroom Discourse and Teacher Development Steve Walsh, 2013-05-20 Highlights the importance of classroom discourse to any second language teacher education programme Reflective practice is central to teacher education and development yet is something that many teachers struggle with Can reflective practice be refocused by asking teachers to place classroom interaction and discourse at the centre of their reflections In this accessible textbook Steve Walsh explains why it is essential to put an understanding of classroom discourse at the centre of any second language teacher education programme whether it is a formal programme under the guidance of a teacher educator or a more informal self directed

programme of teacher development He argues that in order to improve their professional practice language teachers need to gain a detailed up close understanding of their local context by focusing on the complex relationship between teacher language classroom interaction and learning In order to do this he revisits and reconceptualises the notion of reflective practice by giving teachers appropriate tools which allow them to reflect on and improve their professional practice This thought provoking book not only stimulates debate on classroom discourse and reflective practice but also contains practical exercises and advice which will be invaluable to both new and experienced language teachers as well as to researchers in applied linguistics Task commentaries a glossary of technical terms and an annotated list of further reading are also included

Pragmatic Stylistics Elizabeth Black,2005-12-20 This volume is a study of the language of literary texts It looks at the usefulness of pragmatic theories to the interpretation of literary texts and surveys methods of analysing narrative with special attention given to narratorial authority and character focalisation The book includes a description of Grice s Co operative Principle and its contribution to the interpretation of literary texts and considers Sperber and Wilson s Relevance Theory with particular stress on the valuable insights into irony and varieties of indirect discourse it offers Bakhtin s theories are introduced and related to the more explicitly linguistic Relevance Theory Metaphor irony and parody are examined primarily as pragmatic phenomena and there is a strand of sociolinguistic interest particularly in relation to the theories of Labov and Bakhtin

The Social Turn in Second Language Acquisition David Block,2003 This book offers an extended critique of one of the main theoretical approaches to second language acquisition the input interaction output school on the grounds that it does not take sociolinguistic considerations into account This boils down to a social approach that complements the dominant cognitive approach Block s approach in essence is to walk through the definitions of each part of the term second language acquisition which is more substantive than it sounds to broaden future research in the field

Linguistics and the Language of Translation Kirsten Malmkjær,2005 This text examines the relationship between the areas of translation languages and linguistics It includes sounds and rhythms lexis collocation and semantic prosody texture register cohesion coherence implicature speech and text acts text and genre analysis clausal thematicity and transitivity and the expression through language choices of ideological positions
