Macroeconomics Campbell R. McConnell, Stanley L. Brue, 2005 *Management Economics: An Accelerated Approach* William G. Forgang, Karl W. Einolf, 2015-03-26 Thoroughly classroom tested this text is designed specifically for one semester accelerated and online courses at the upper undergraduate and MBA levels It is based on the theme that business and personal decisions are made within both micro and macro economic environments By understanding the environments and their effects on outcomes of decisions better choices can be made The text also differs from others in the area because it is less theoretical it provides a broader perspective for management problem solving and it bridges economics with other business disciplines Each chapter includes a management decision oriented case study that applies tools of economic analysis An online instructors manual is available to professors who adopt the text *Reclaiming Marx's Capital* Andrew Kliman, 2007-01-01 This book reclaims Marx's Capital from the myth of inconsistency An accessible account written for non specialist readers it shows that the inconsistencies are actually caused by misinterpretation the recent temporal single system interpretation eliminates all of the alleged inconsistencies **Smart Economics** Michael Walden, 2005-08-30 Budget deficits gas prices health care costs social security job security Anxiety over the economy pervades our daily lives from reports on the early morning newscasts to gossip around the water cooler to dinner table debate Yet most citizens are woefully ignorant when it comes to understanding how the economy works and how to interpret the impact of policies and business decisions It's easy to slip into generalities government spending is wasteful taxes are too high good paying jobs are being shipped overseas Americans don't save enough Other issues become hijacked by political partisans to advance their agendas trade must be fair tax cuts will pay for themselves there will be no money left in the social security till after the baby boomers loot it In Smart Economics Michael Walden provides an antidote take 50 of today's top economic issues and explain their meaning implications and potential solutions in a logical straightforward commonsense and non partisan way Has Government Spending Been Out of Control Is Profit Bad Walden applies basic economic concepts and logical argumentation to help readers get their bearings to separate fact from fiction and ultimately make better economic decisions themselves The result is an entertaining and highly informative introduction to economic principles and their influence on our behavior In Smart Economics Michael Walden provides an antidote take 50 of today's top economic issues and explain their meaning implications and potential solutions in a logical straightforward commonsense and non partisan way From Has Government Spending Been out of Control to Is Profit Bad to Why Are Pro Sports Stars Paid So Much Walden demystifies the dismal science using basic concepts and logical argumentation to help readers get their bearings to separate fact from fiction and ultimately make better decisions when it comes to spending investing saving and voting The result is an entertaining and informative introduction to economic principles and their influence on our behavior *Study Guide to Accompany Macroeconomics* William B. Walstad, Campbell R. McConnell, Campbell McConnell, Stanley L. Brue, 2004-03 One of the world

s leading experts on economic education William Walstad of the University of Nebraska Lincoln has prepared the seventeenth edition of the Study Guide Many students find the Study Guide indispensable Each chapter contains an introductory statement a checklist of behavioral objectives an outline a list of important terms fill in questions problems and projects objective questions and discussion questions The answers to Economics end of chapter Key Questions appear at the end of the Study Guide along with the text s glossary The Guide comprises a superb portable tutor for the principles student Separate Study Guides are available for the macro and micro paperback editions of the text **Impact of E-Business**

Technologies on Public and Private Organizations: Industry Comparisons and Perspectives Bak, Ozlem,Stair, Nola,2011-03-31 This book assesses the impact of e business technologies on different organizations which include higher education institutions multinational automotive corporations and health providers Provided by publisher **The Economics Anti-Textbook** Rod Hill,Professor Tony Myatt,2010-03-11 Mainstream textbooks present economics as an objective science free from value judgements that settles disputes by testing hypotheses that applies a pre determined body of principles and contains policy prescriptions supported by a consensus of professional opinion The Economics Anti Textbook argues that this is a myth one which is not only dangerously misleading but also bland and boring It challenges the mainstream textbooks assumptions arguments models and evidence It puts the controversy and excitement back into economics to reveal a fascinating and a vibrant field of study one which is more an art of persuasion than it is a science The Economics Anti Textbook s chapters parallel the major topics in the typical text beginning with a boiled down account of them before presenting an analysis and critique Drawing on the work of leading economists the Anti Textbook lays bare the blind spots in the texts and their sins of omission and commission It shows where hidden value judgements are made and when contrary evidence is ignored It shows the claims made without any evidence and the alternative theories that aren t mentioned It shows the importance of power social context and legal framework The Economics Anti Textbook is the students guide to decoding the textbooks and shows how real economics is much more interesting than most economists are willing to let on
