My Secret Life On The Mcjob Newman, 2007-05 *My Secret Life on the McJob* a groundbreaking new management tell all is at once a humorous take on the world of the rank and file as well as a practical guide on management that you can use in your business no matter what kind of business it is Jerry Newman shares the approaches that worked and the ones that were a serious miss His experience behind the counter at McDonalds Arby s and Burger King among others delivers the answers to potent management questions such as How can a manager succeed when resources are scarce When he s too bombarded with details to think When employee turnover is 200 percent Newman learned everything the hard way **Working for McDonald's in Europe** Tony Royle, 2000 This volume represents a real life case study revealing the interaction between the McDonald s Corporation the most famous brand in the world and the regulatory systems of a number of different European countries *McDonald's Germany Facing External Difficulties with Ramifications on Overall Decline in Guest Count* Janin Ropot, 2013-10-31 Research Paper undergraduate from the year 2013 in the subject Business economics Business Management Corporate Governance grade 1.3 International Business School N rnberg language English abstract The goal of this report is to provide a theoretical framework to analyse the current strategy of McDonald s in the hypercompetitive fast food industry of the German market and the decline of guest count In order to analyse the external and internal influences

this report will commence with Porter's Five Forces and the SWOT analysis. It will provide an in-depth description of the positioning strategy as well as an analysis of the marketing and operations departments. In the second part of the report, the reader will also achieve understanding on how business procedures can be changed in order to keep McDonald's of interest. This is followed by recommendations on how to improve the current situation and give an overview of McDonald's alternative strategic approach to increase their market share as well as their profitability. The main idea of this report suggests McDonald's to dip into the blue ocean strategy with an extended range of products. Healthier and individualized products and the extension of the beverage portfolio along with a more emotional marketing campaign is thought to enhance consumers' loyalty. The research for the analysis comprises a qualitative approach based on industry experts' internal documentation such as McDonald's financial statements, market reports, and public announcements relevant to the strategy.

McDonalds, 2013 **My Secret Life on the McJob: Lessons from Behind the Counter Guaranteed to Supersize Any Management Style** Jerry M. Newman, 2007-01-01 **Everything I Know about Business I Learned at McDonald's** Paul Facella with Adina Genn, 2008 *The Service Concept of McDonald's* Joe Wessh, 2019-08-20. Academic Paper from the year 2019 in the subject Business economics. Offline Marketing and Online Marketing grade 4-5. Kenyatta University. language English. abstract: The purpose of this report is to examine the service concept of McDonald's, the world's leading chain of hamburger fast food restaurant and the prominent global food service retailer. The report also discusses how the operations of the organisation contribute to the functioning of the service concept. After presenting the assessment of how service concept is implemented through operations, the recommendations are discussed at the end of the report. Besides appendices have been included to illustrate a series of tables and figures that support the report. The service concept is the insight and expectations of the service itself in the thoughts of the employers, investors, stakeholders, employer and customers. The concept involves an open transformation process of transforming inputs to anticipated outputs through the suitable application of resources. More precisely, services are cost-effective activities that lead to the place-time-psychological or form-utility. A meal in a fast food restaurant not only saves time but also it offers a psychological help. Developing the service concept can be considered as the ultimate step for a corporation in generating an all-inclusive service model.
